

I miss you.

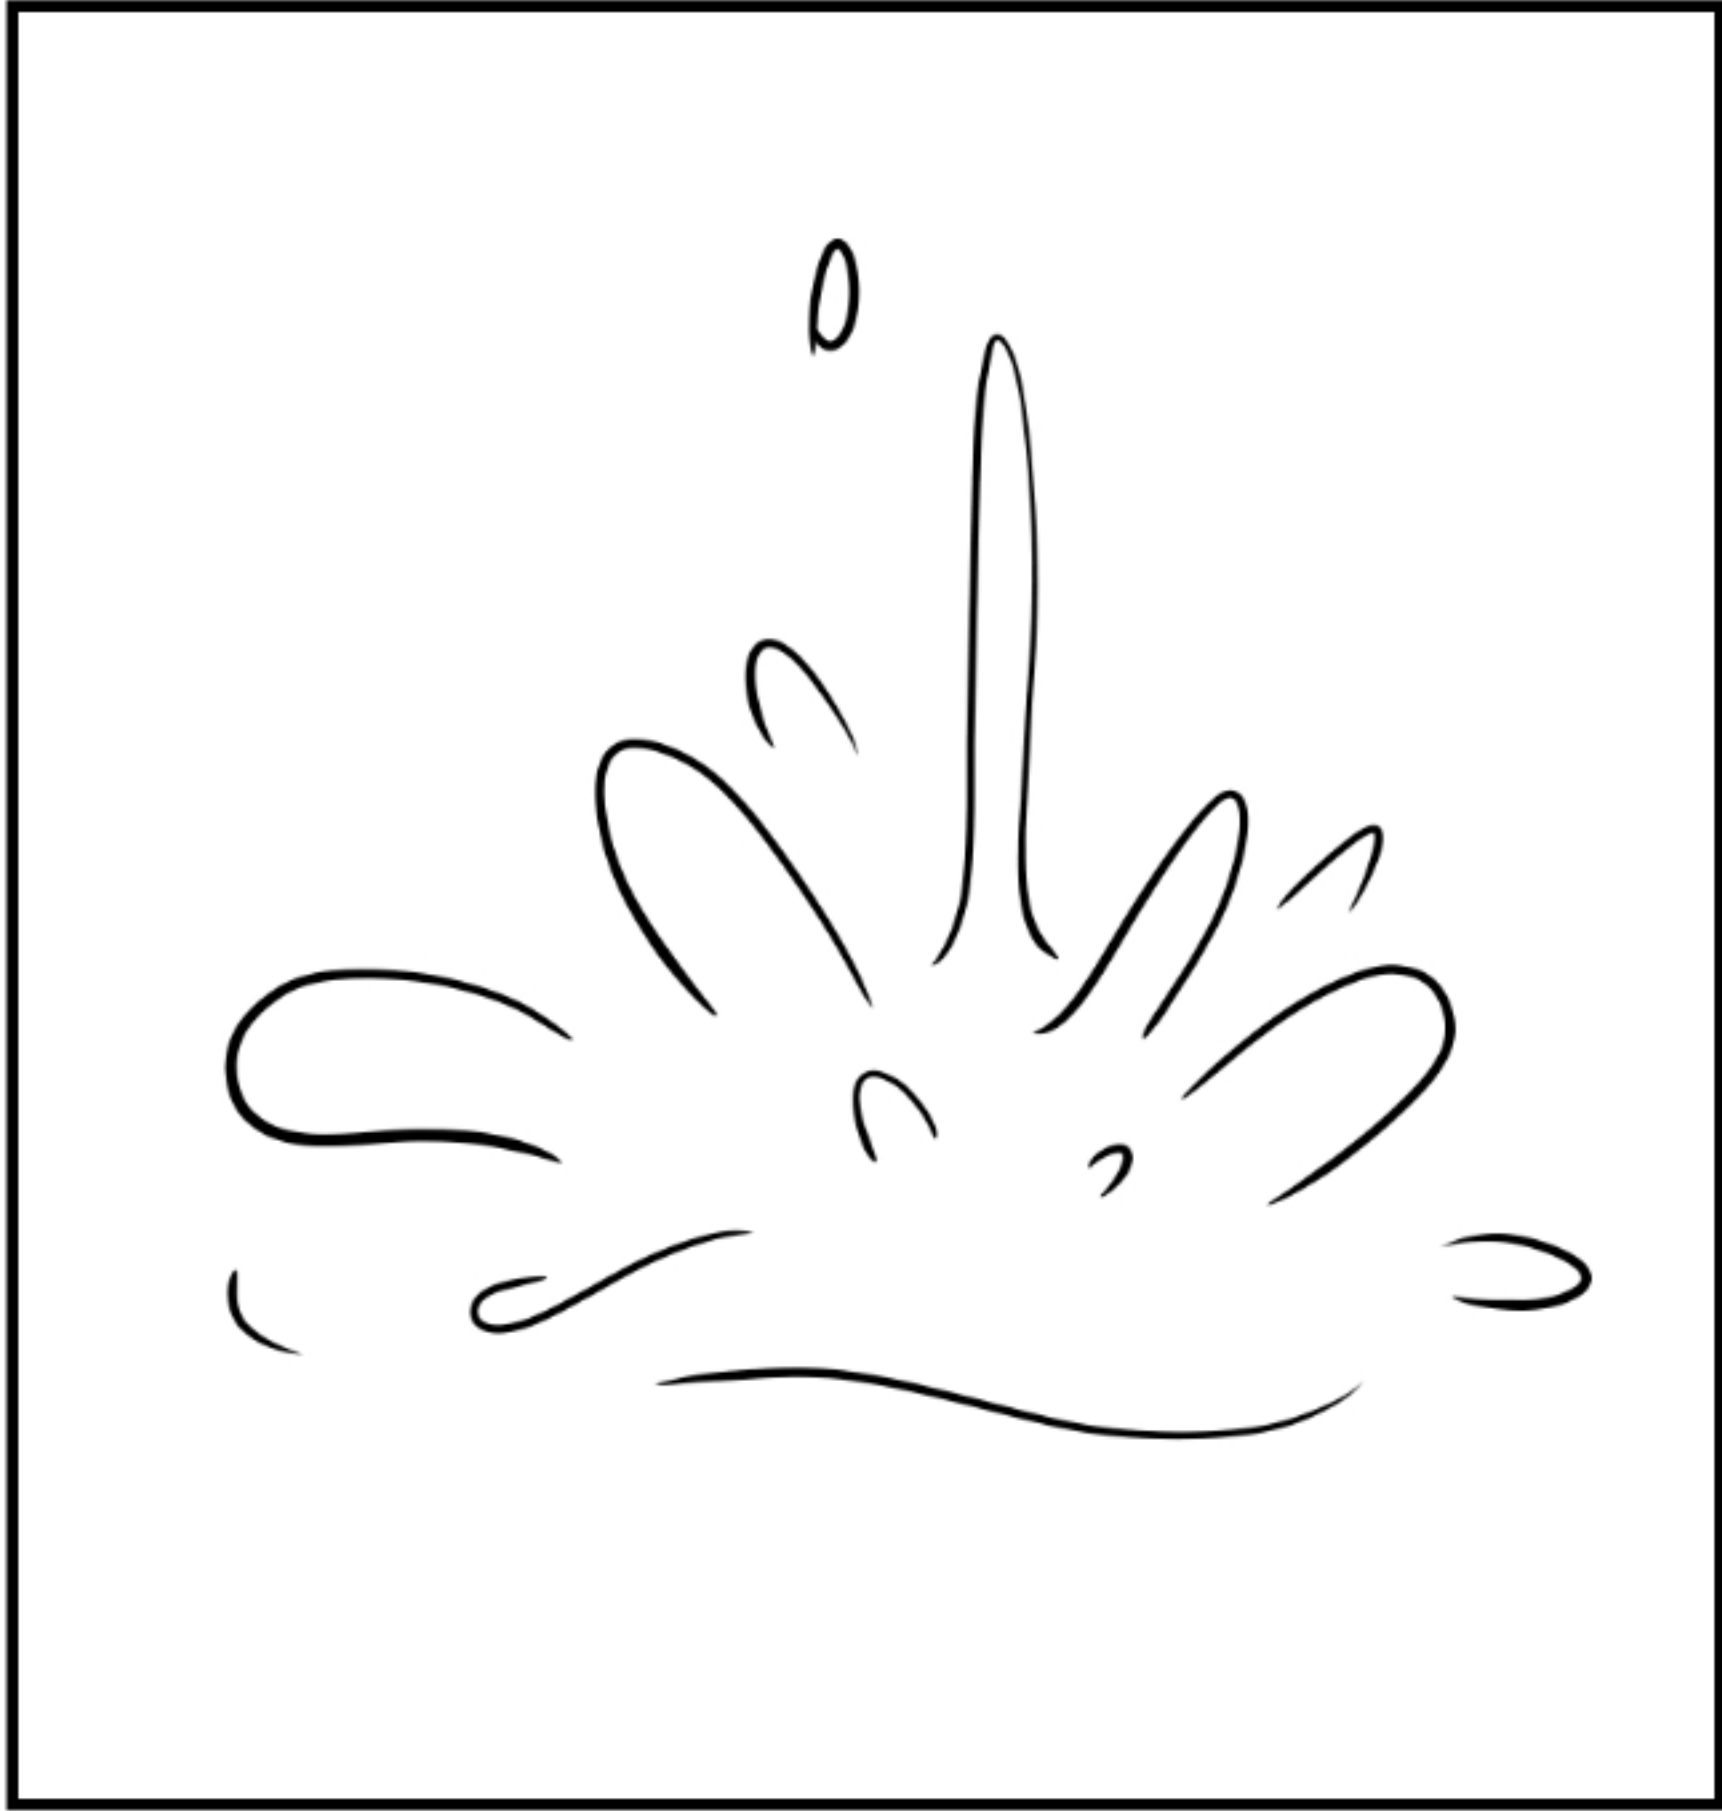

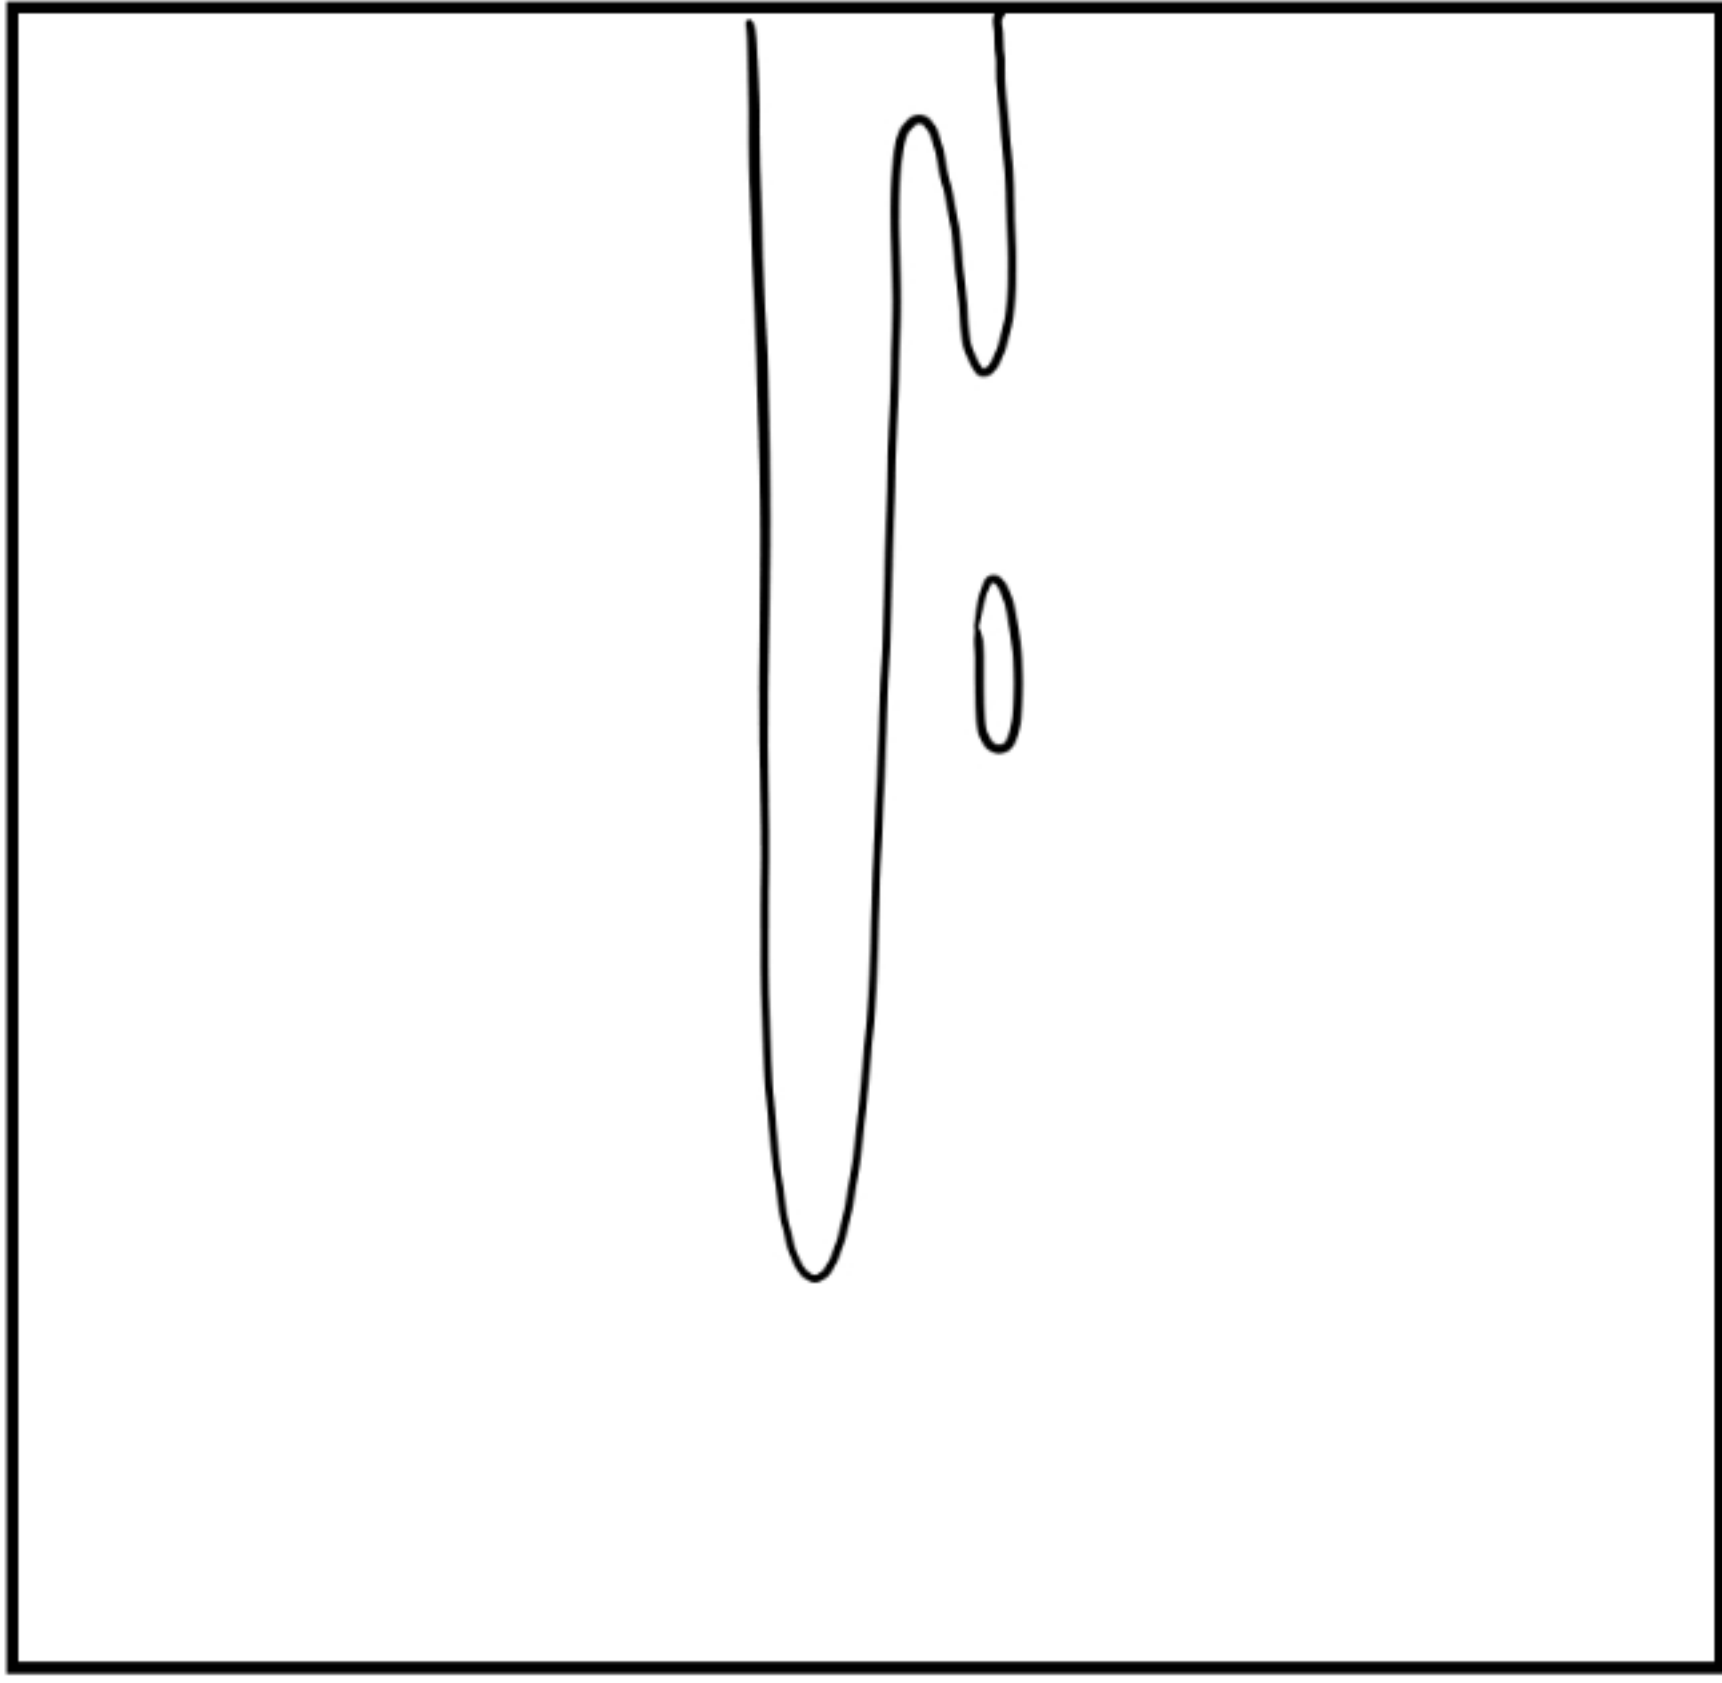

I've missed you

Come home.

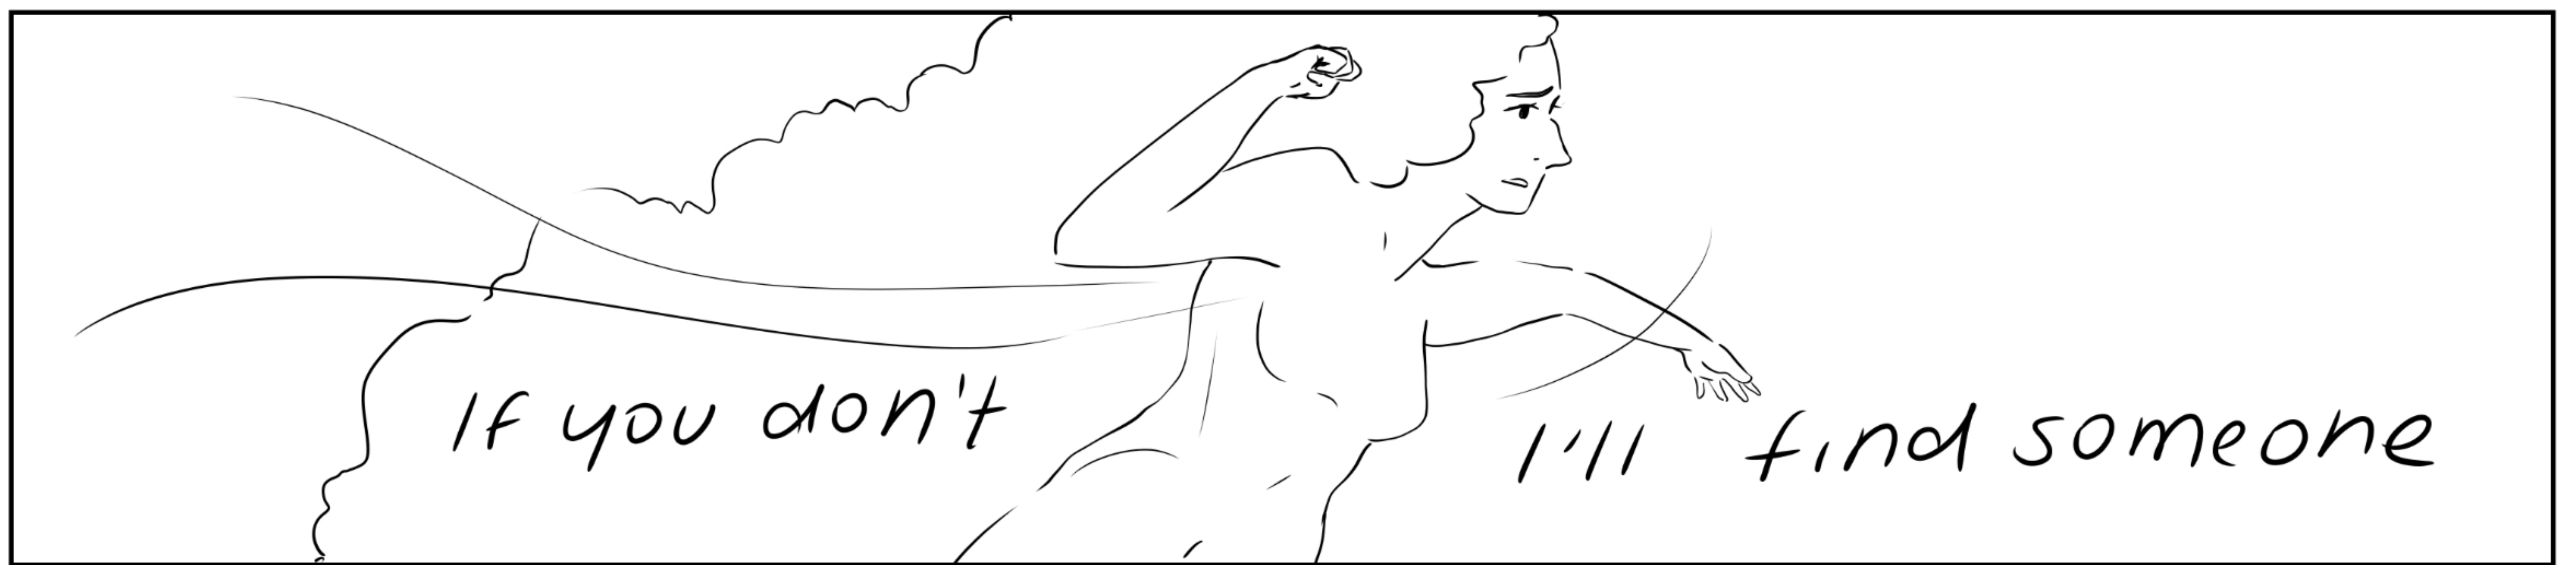

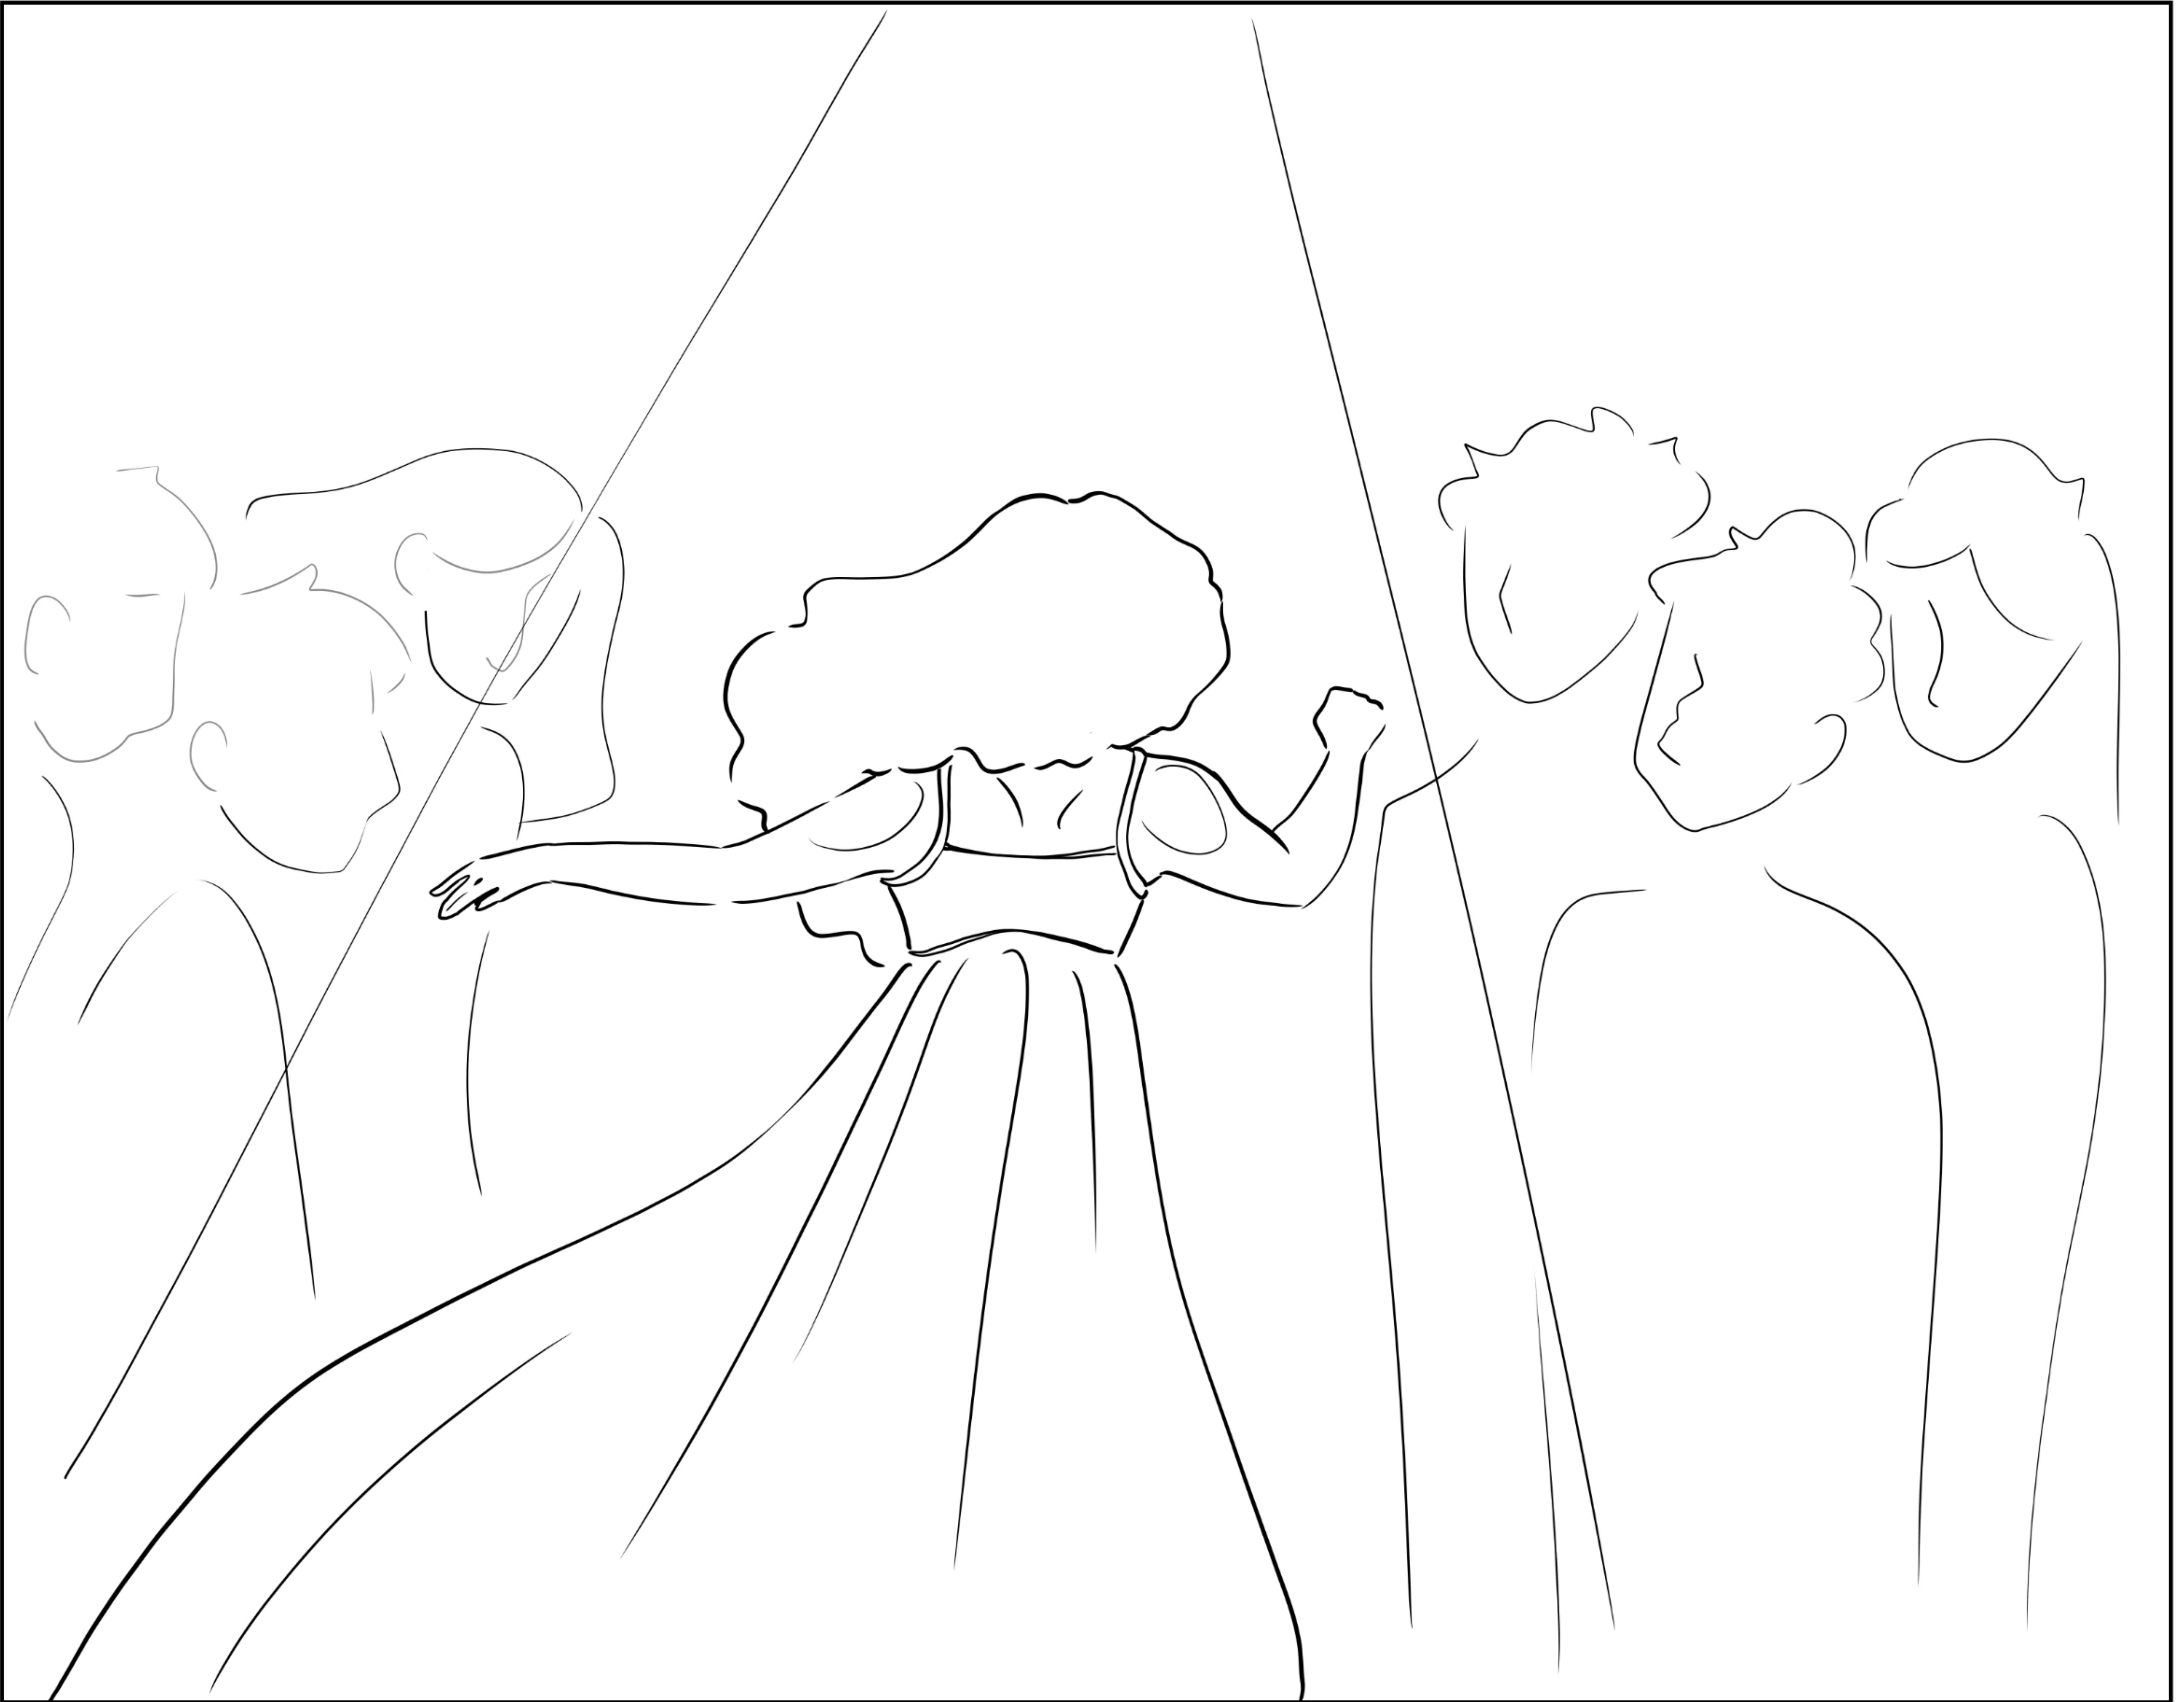

You weren't trying hard enough,
do you even love me?

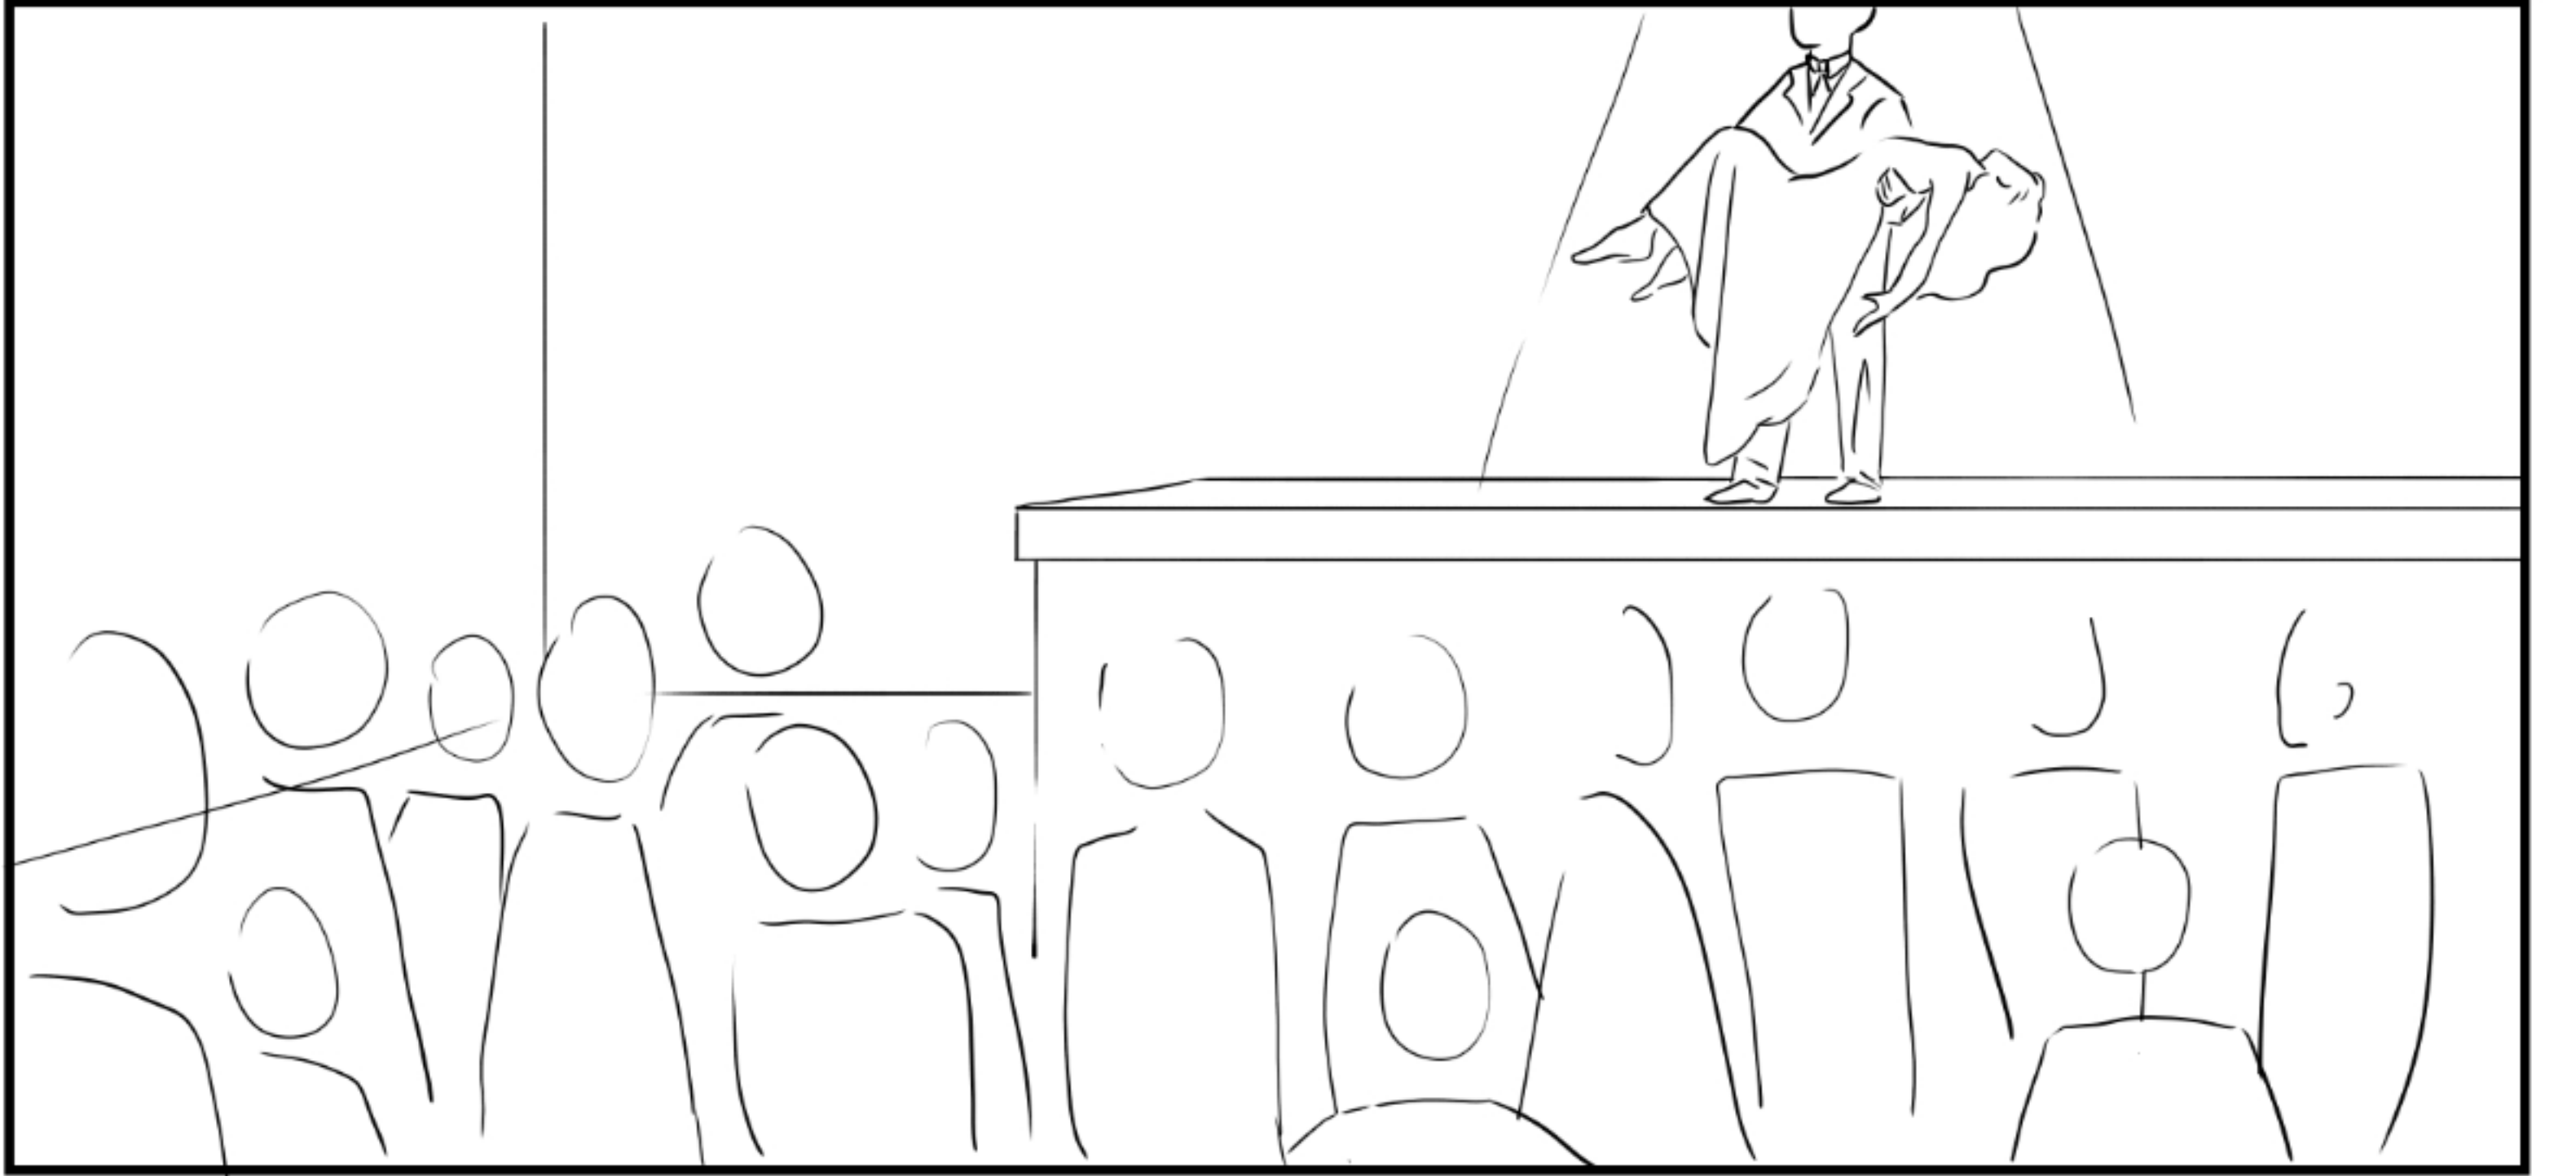

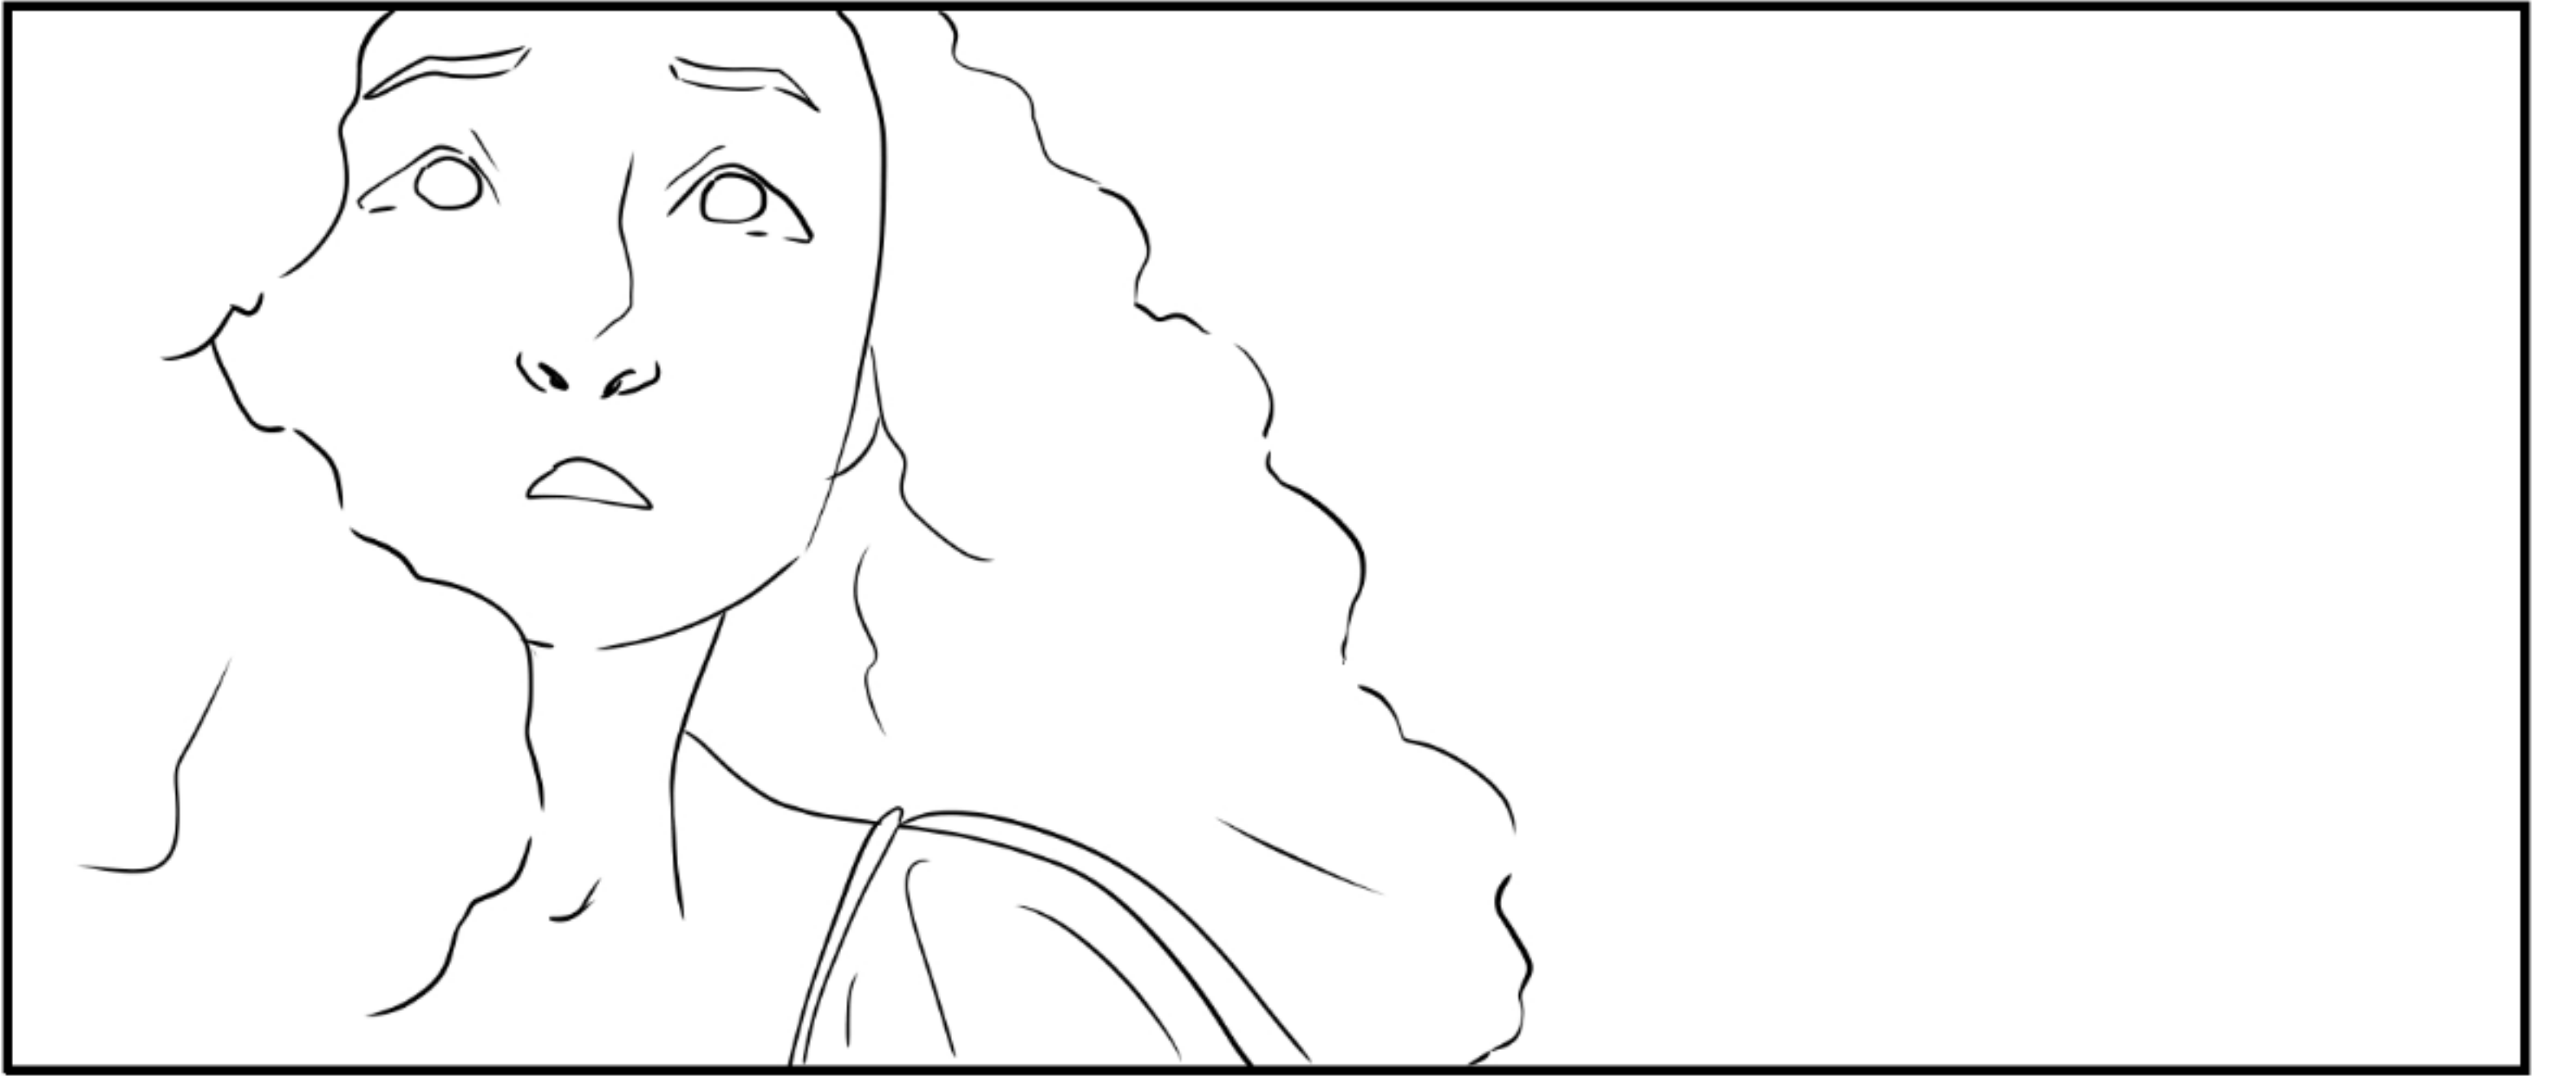

You promised we
would have sex.
I'm not done.
If you don't I'll
find someone else.
If you loved me
you'd do this.
You don't love me.
You're mine.

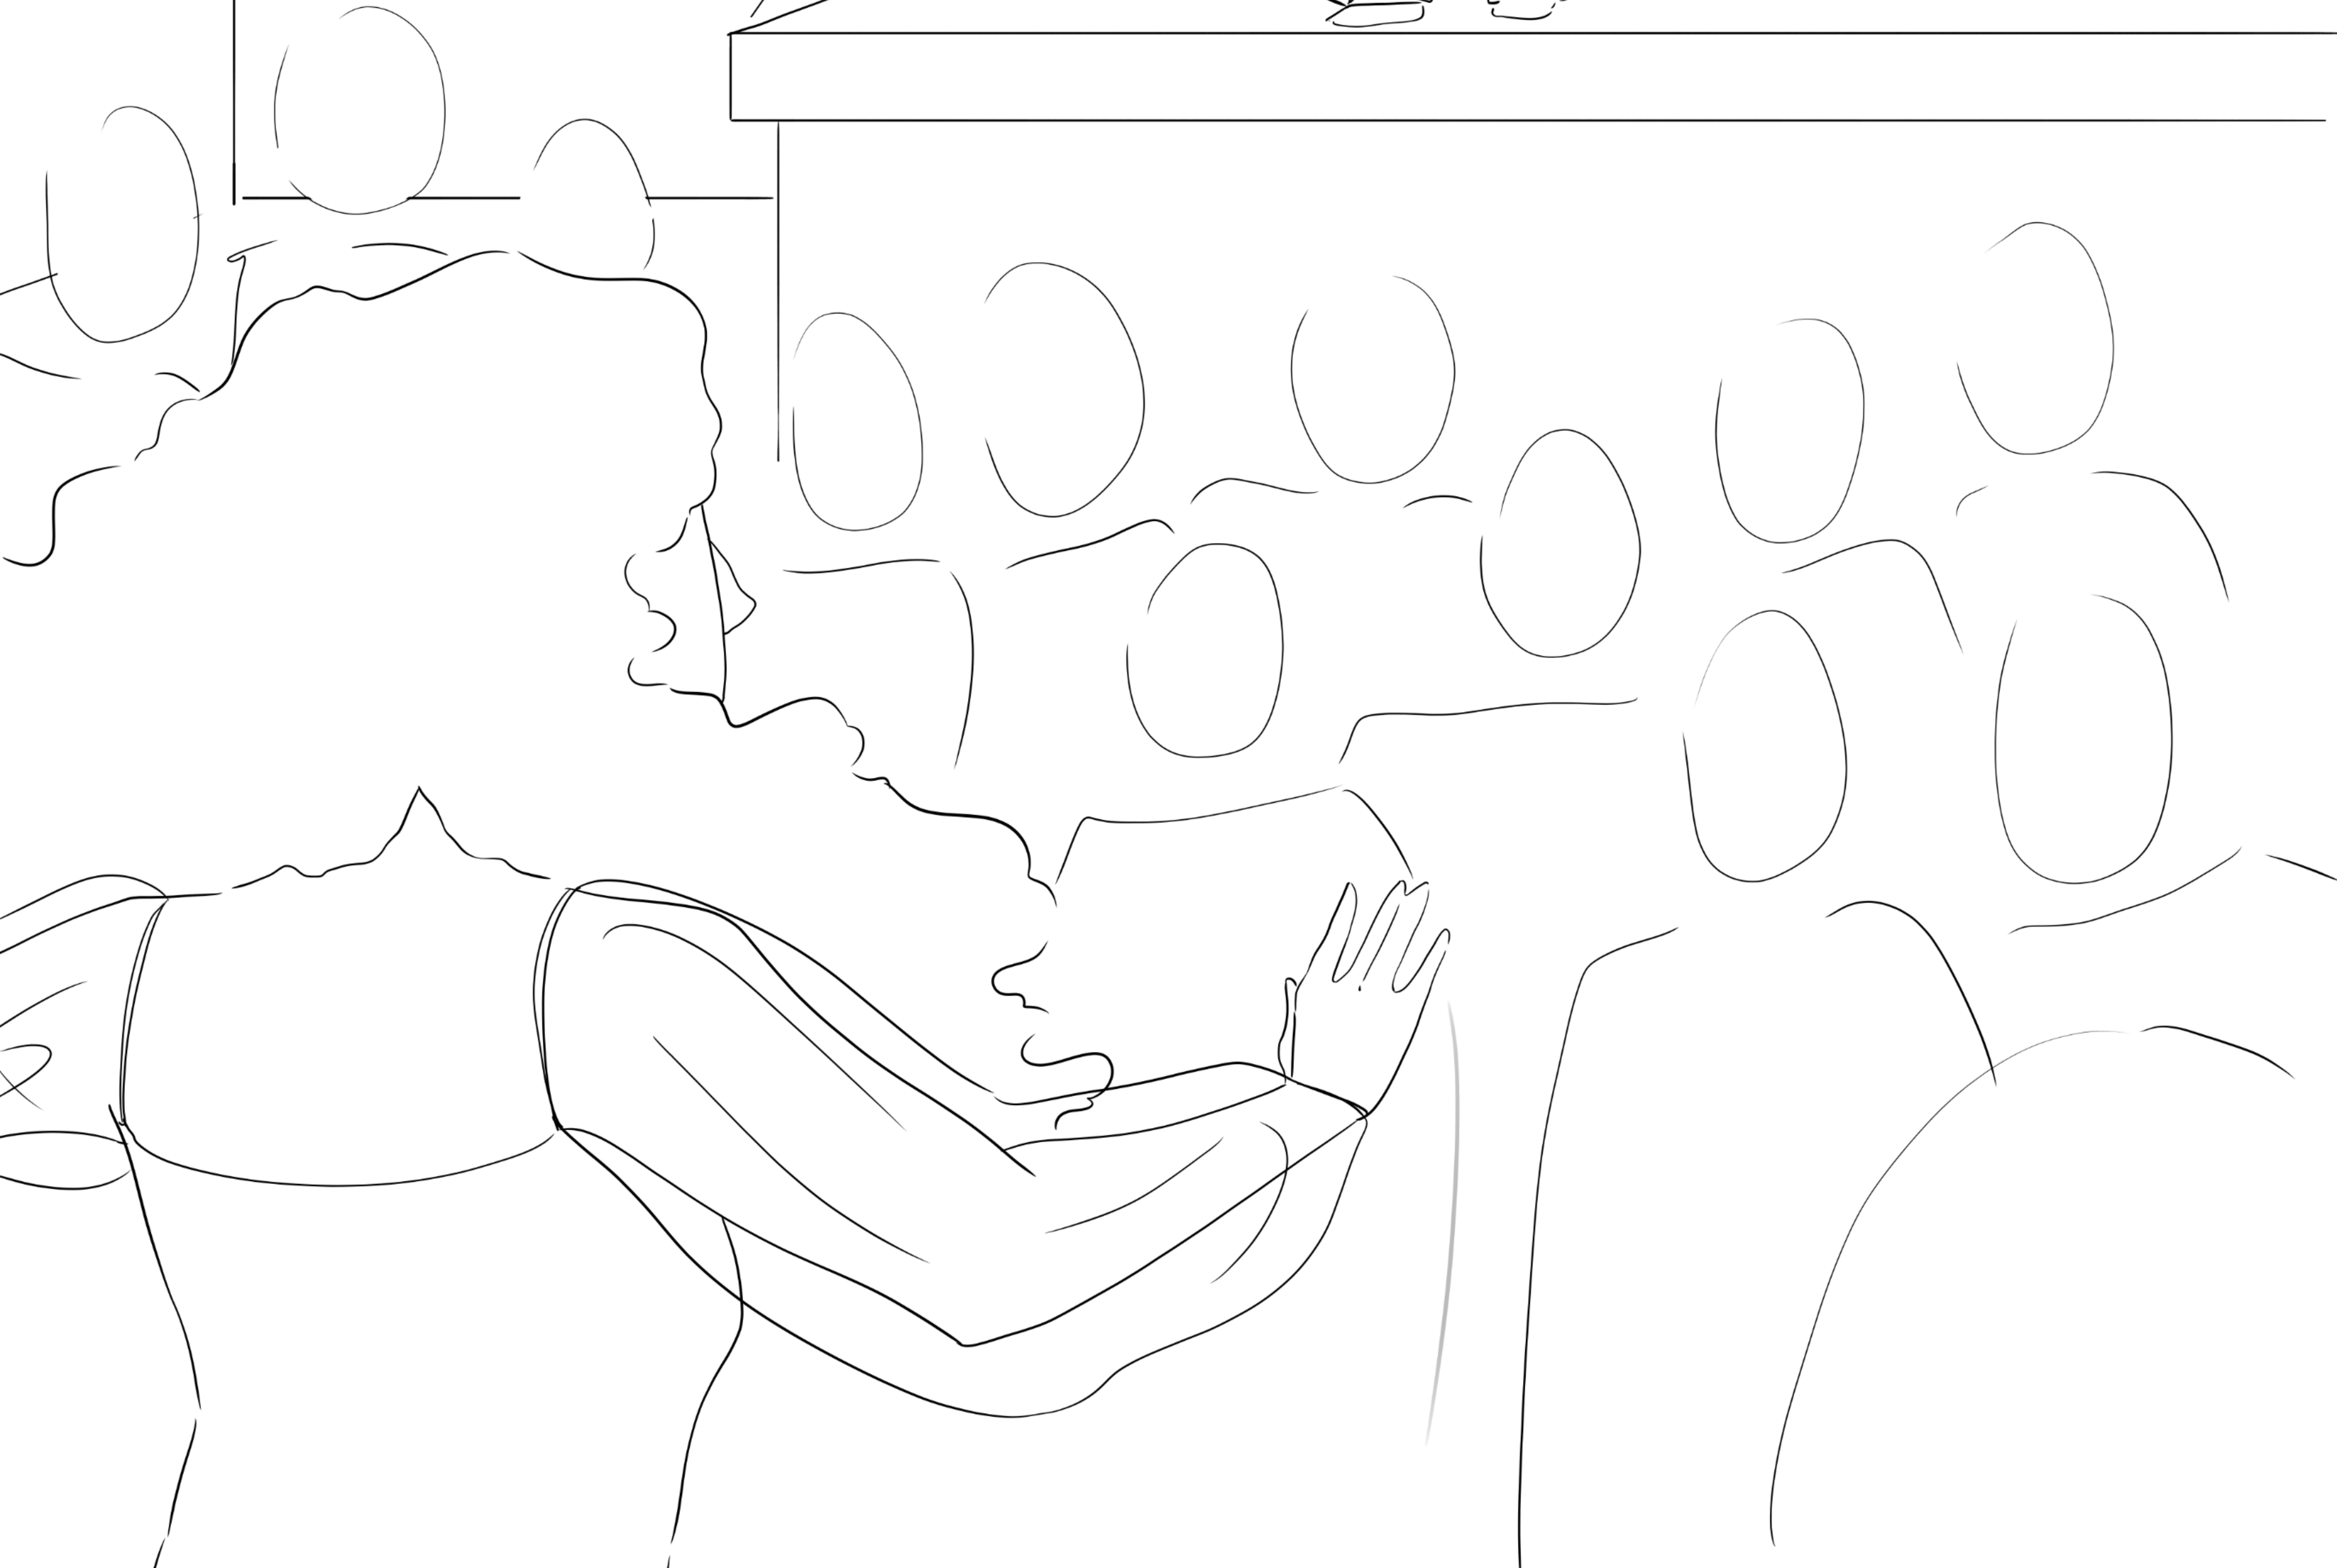

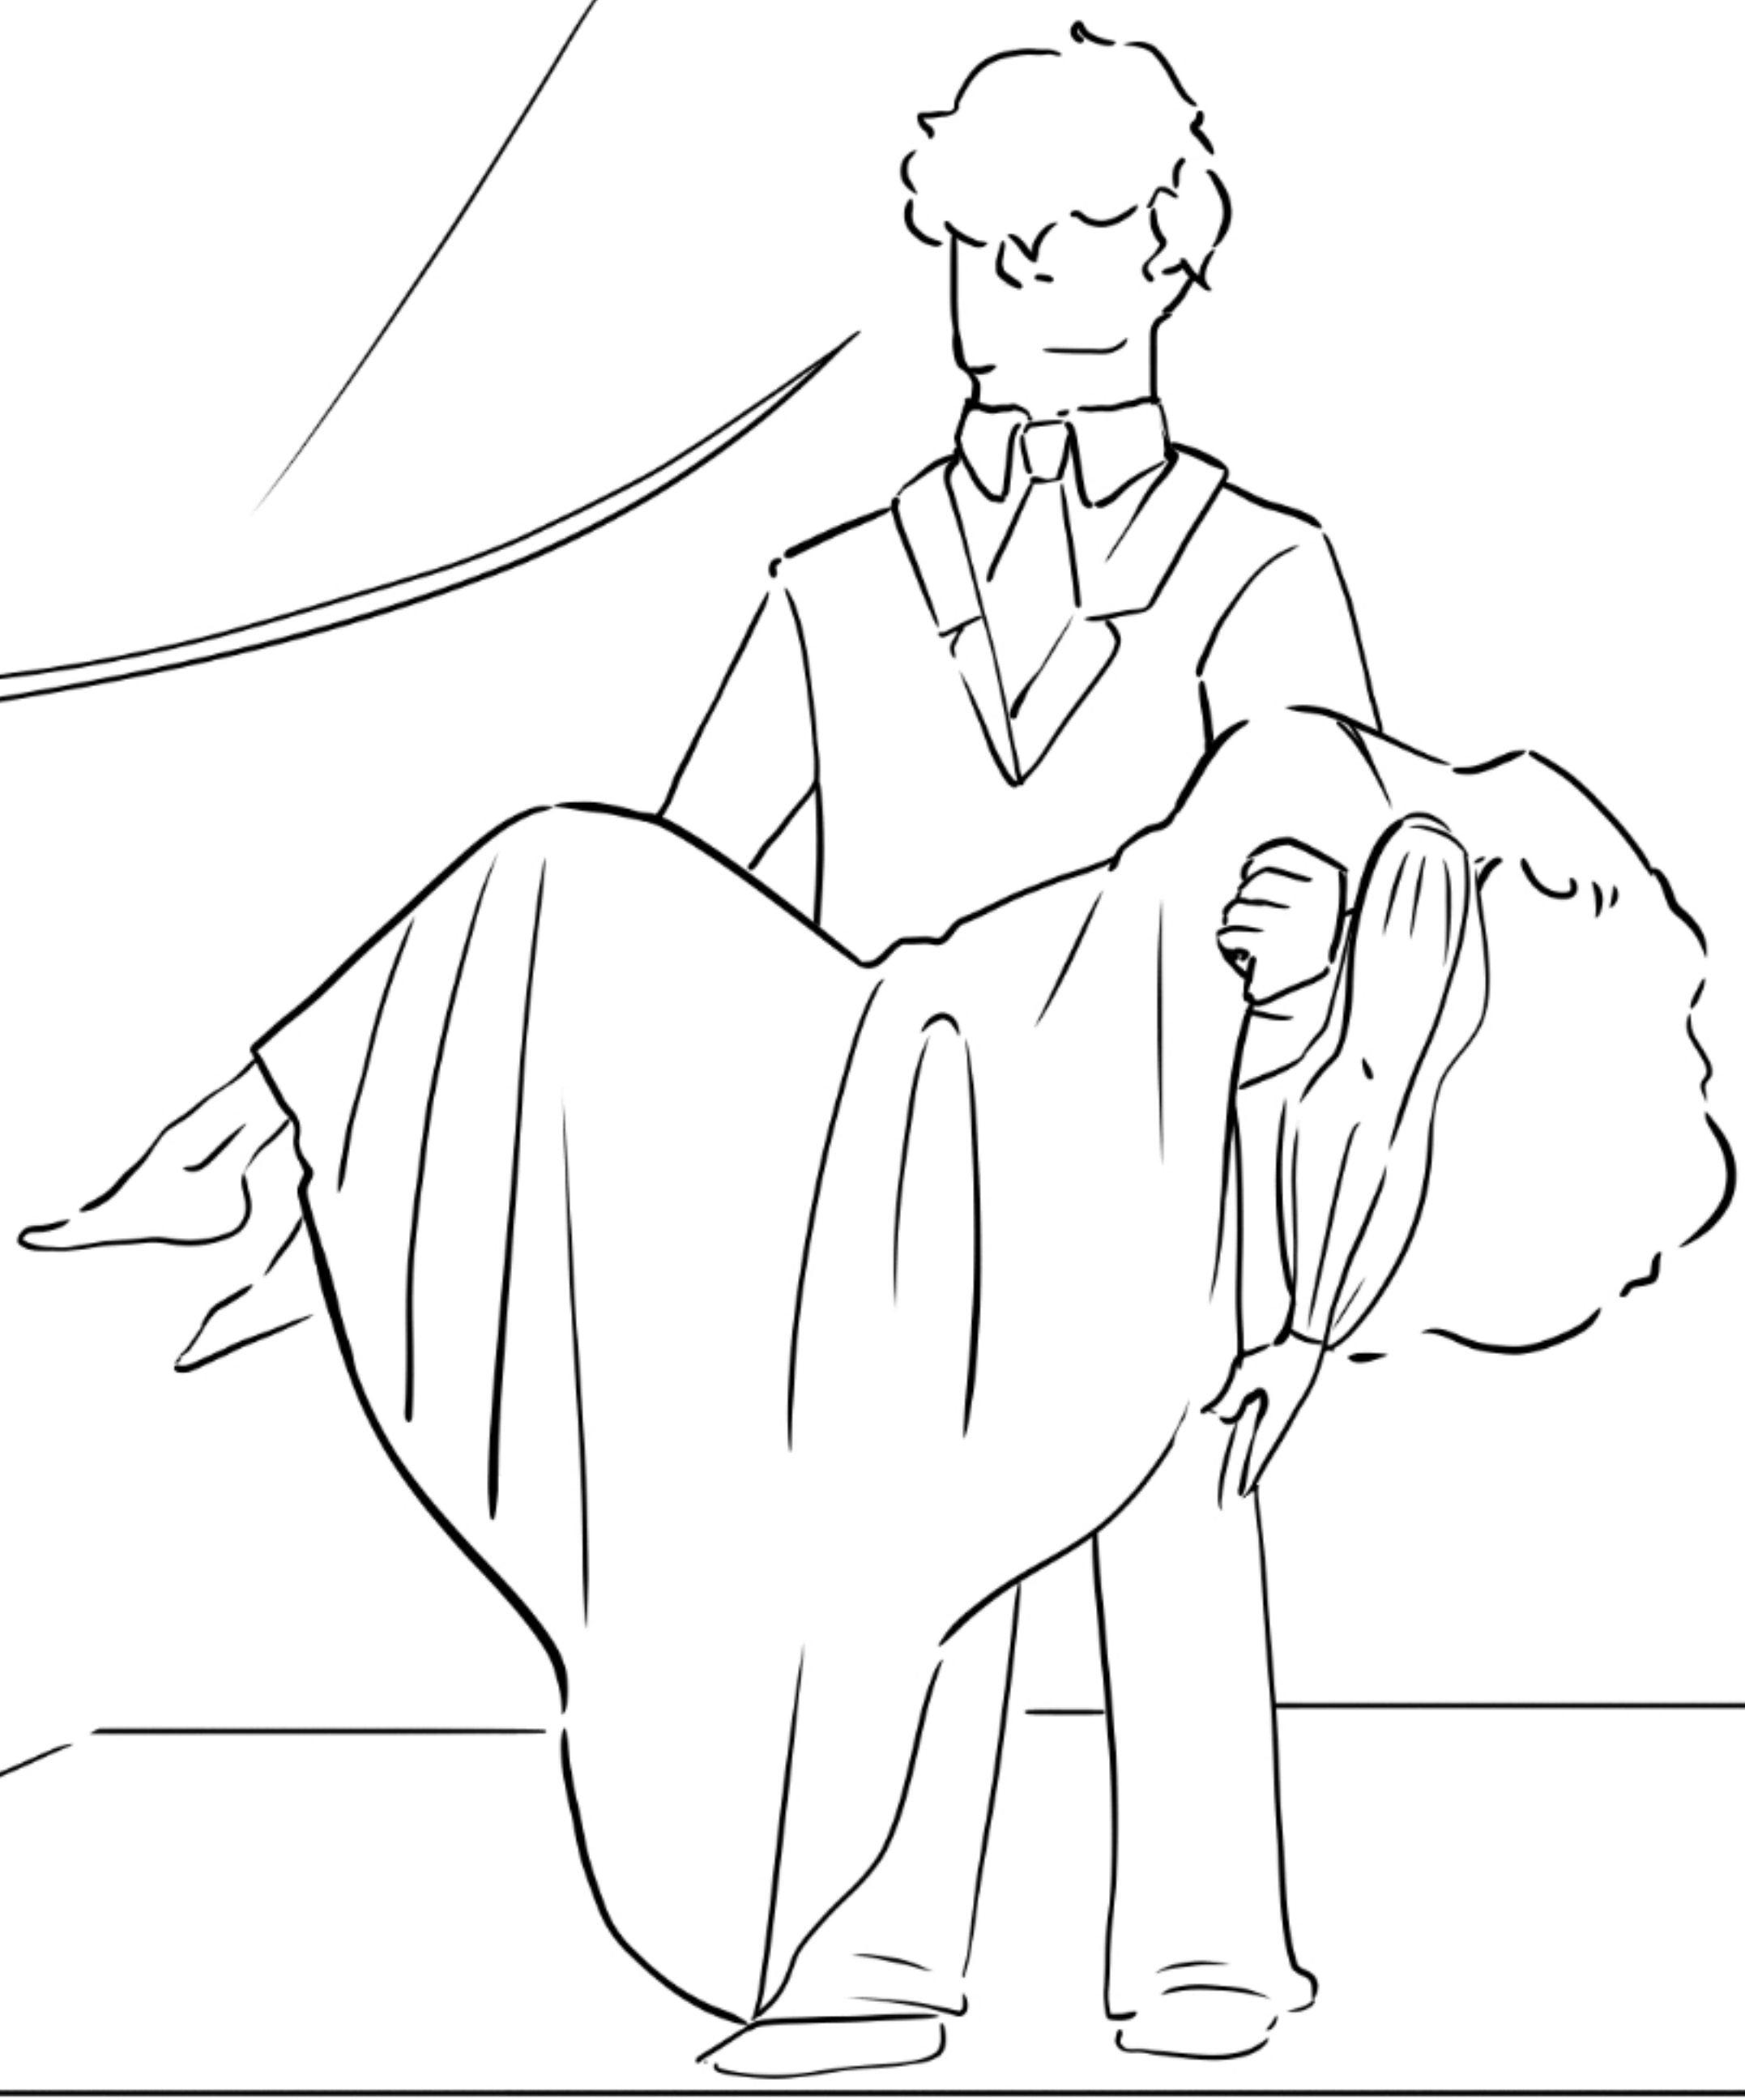

Do you
even love
me?

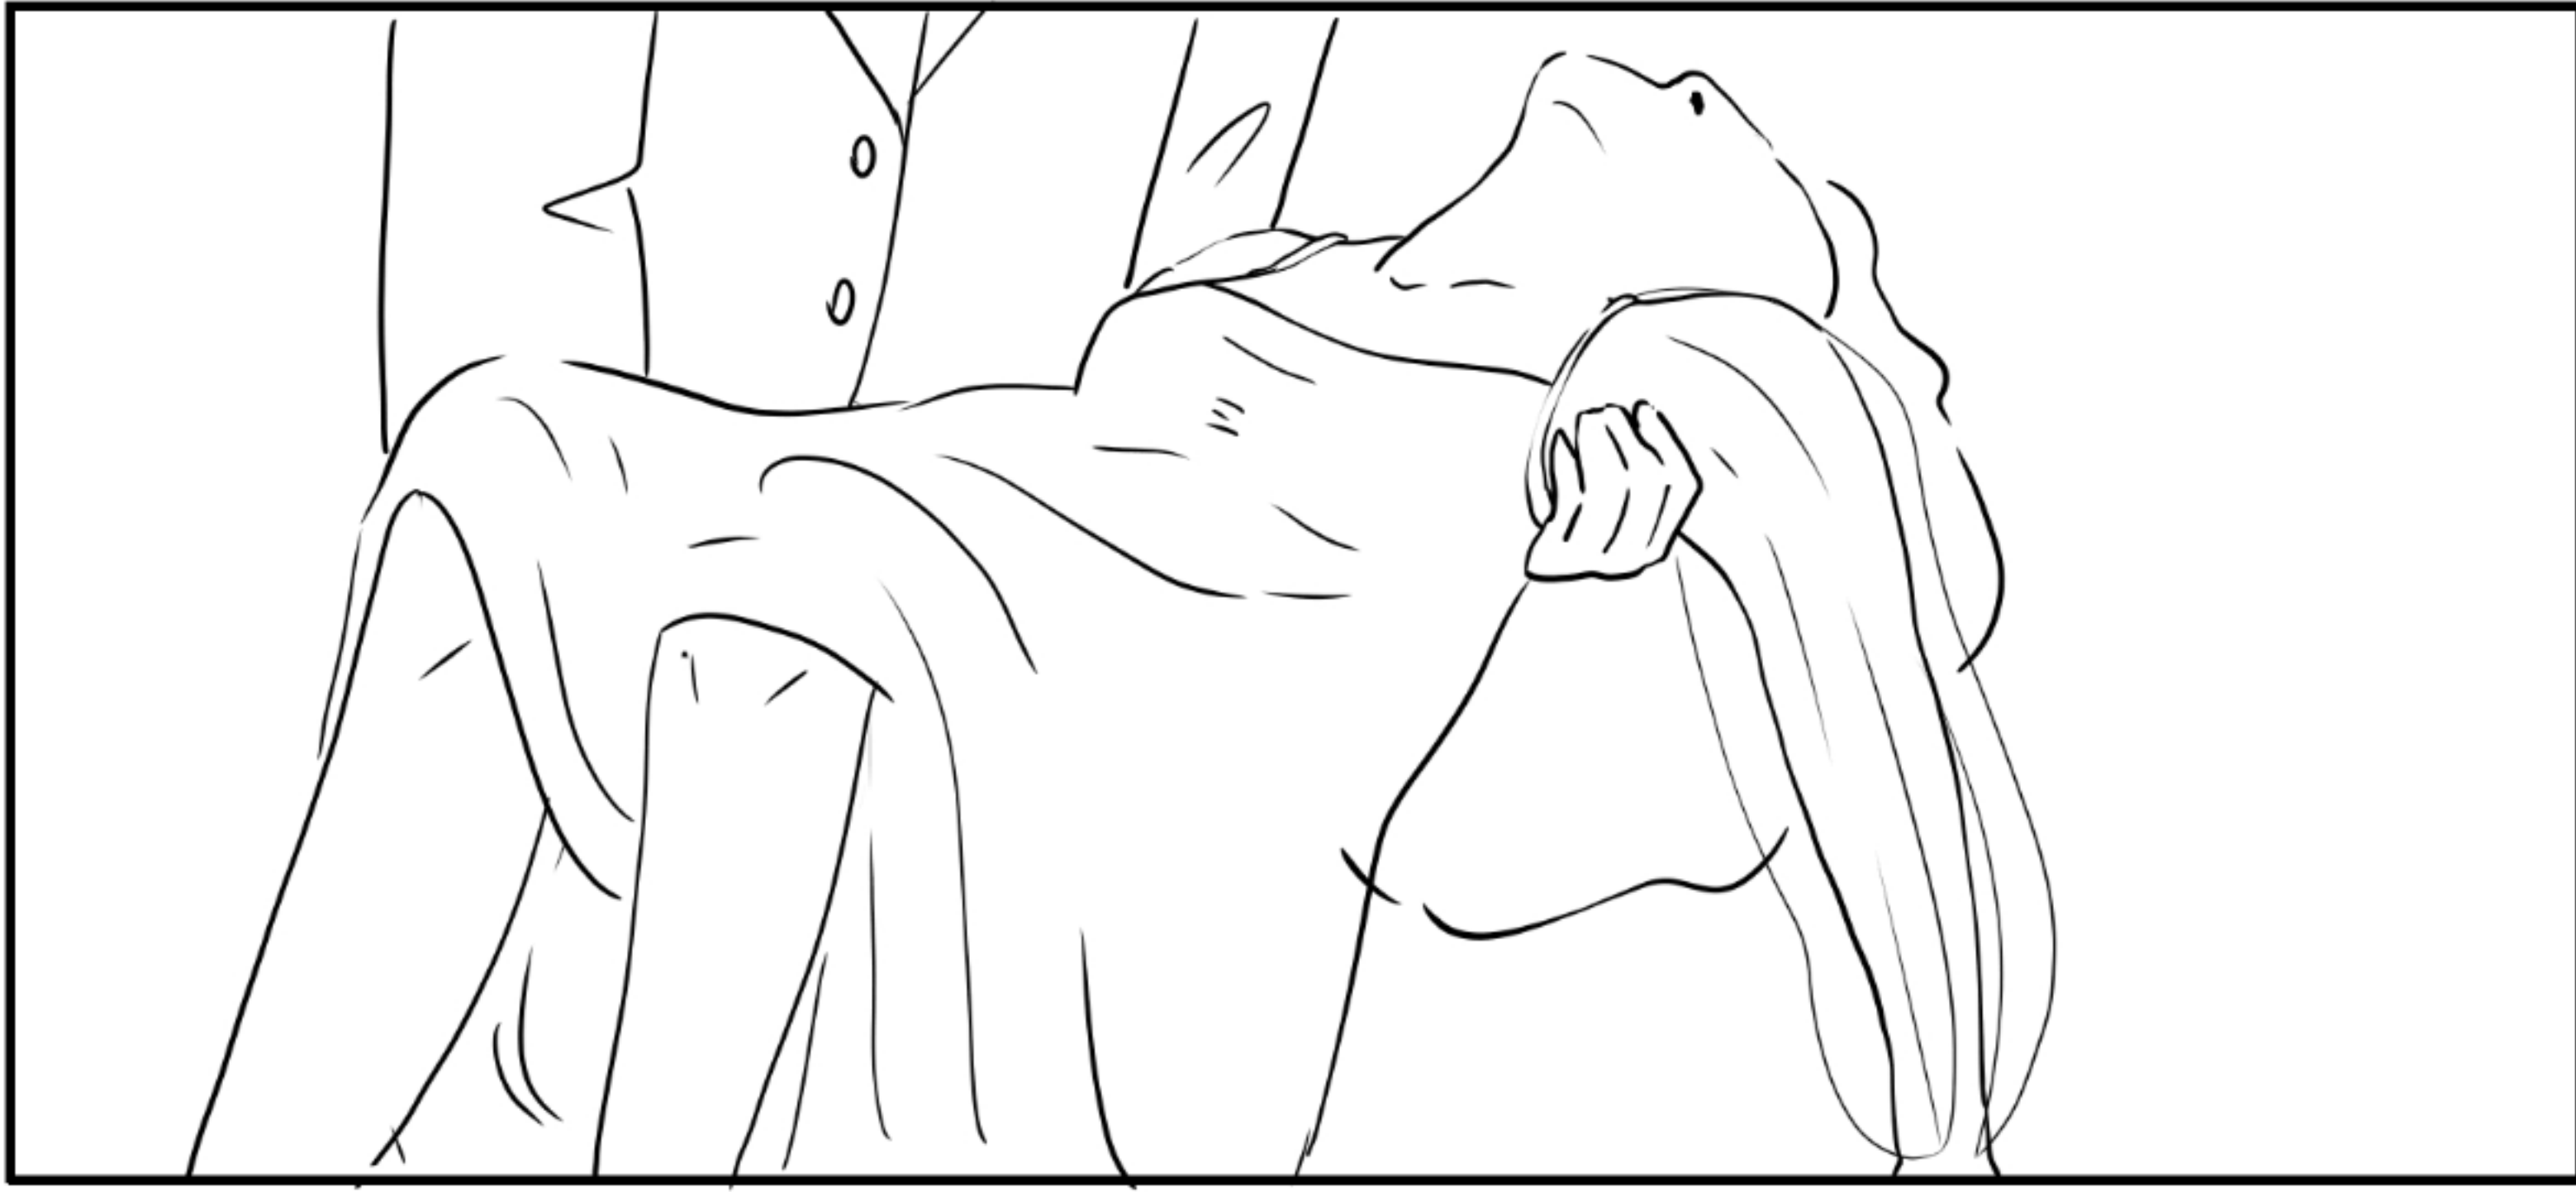

I'll take care of you.

I'll always take care of you.

You're going to be okay.

NOTHING HAPPENED.

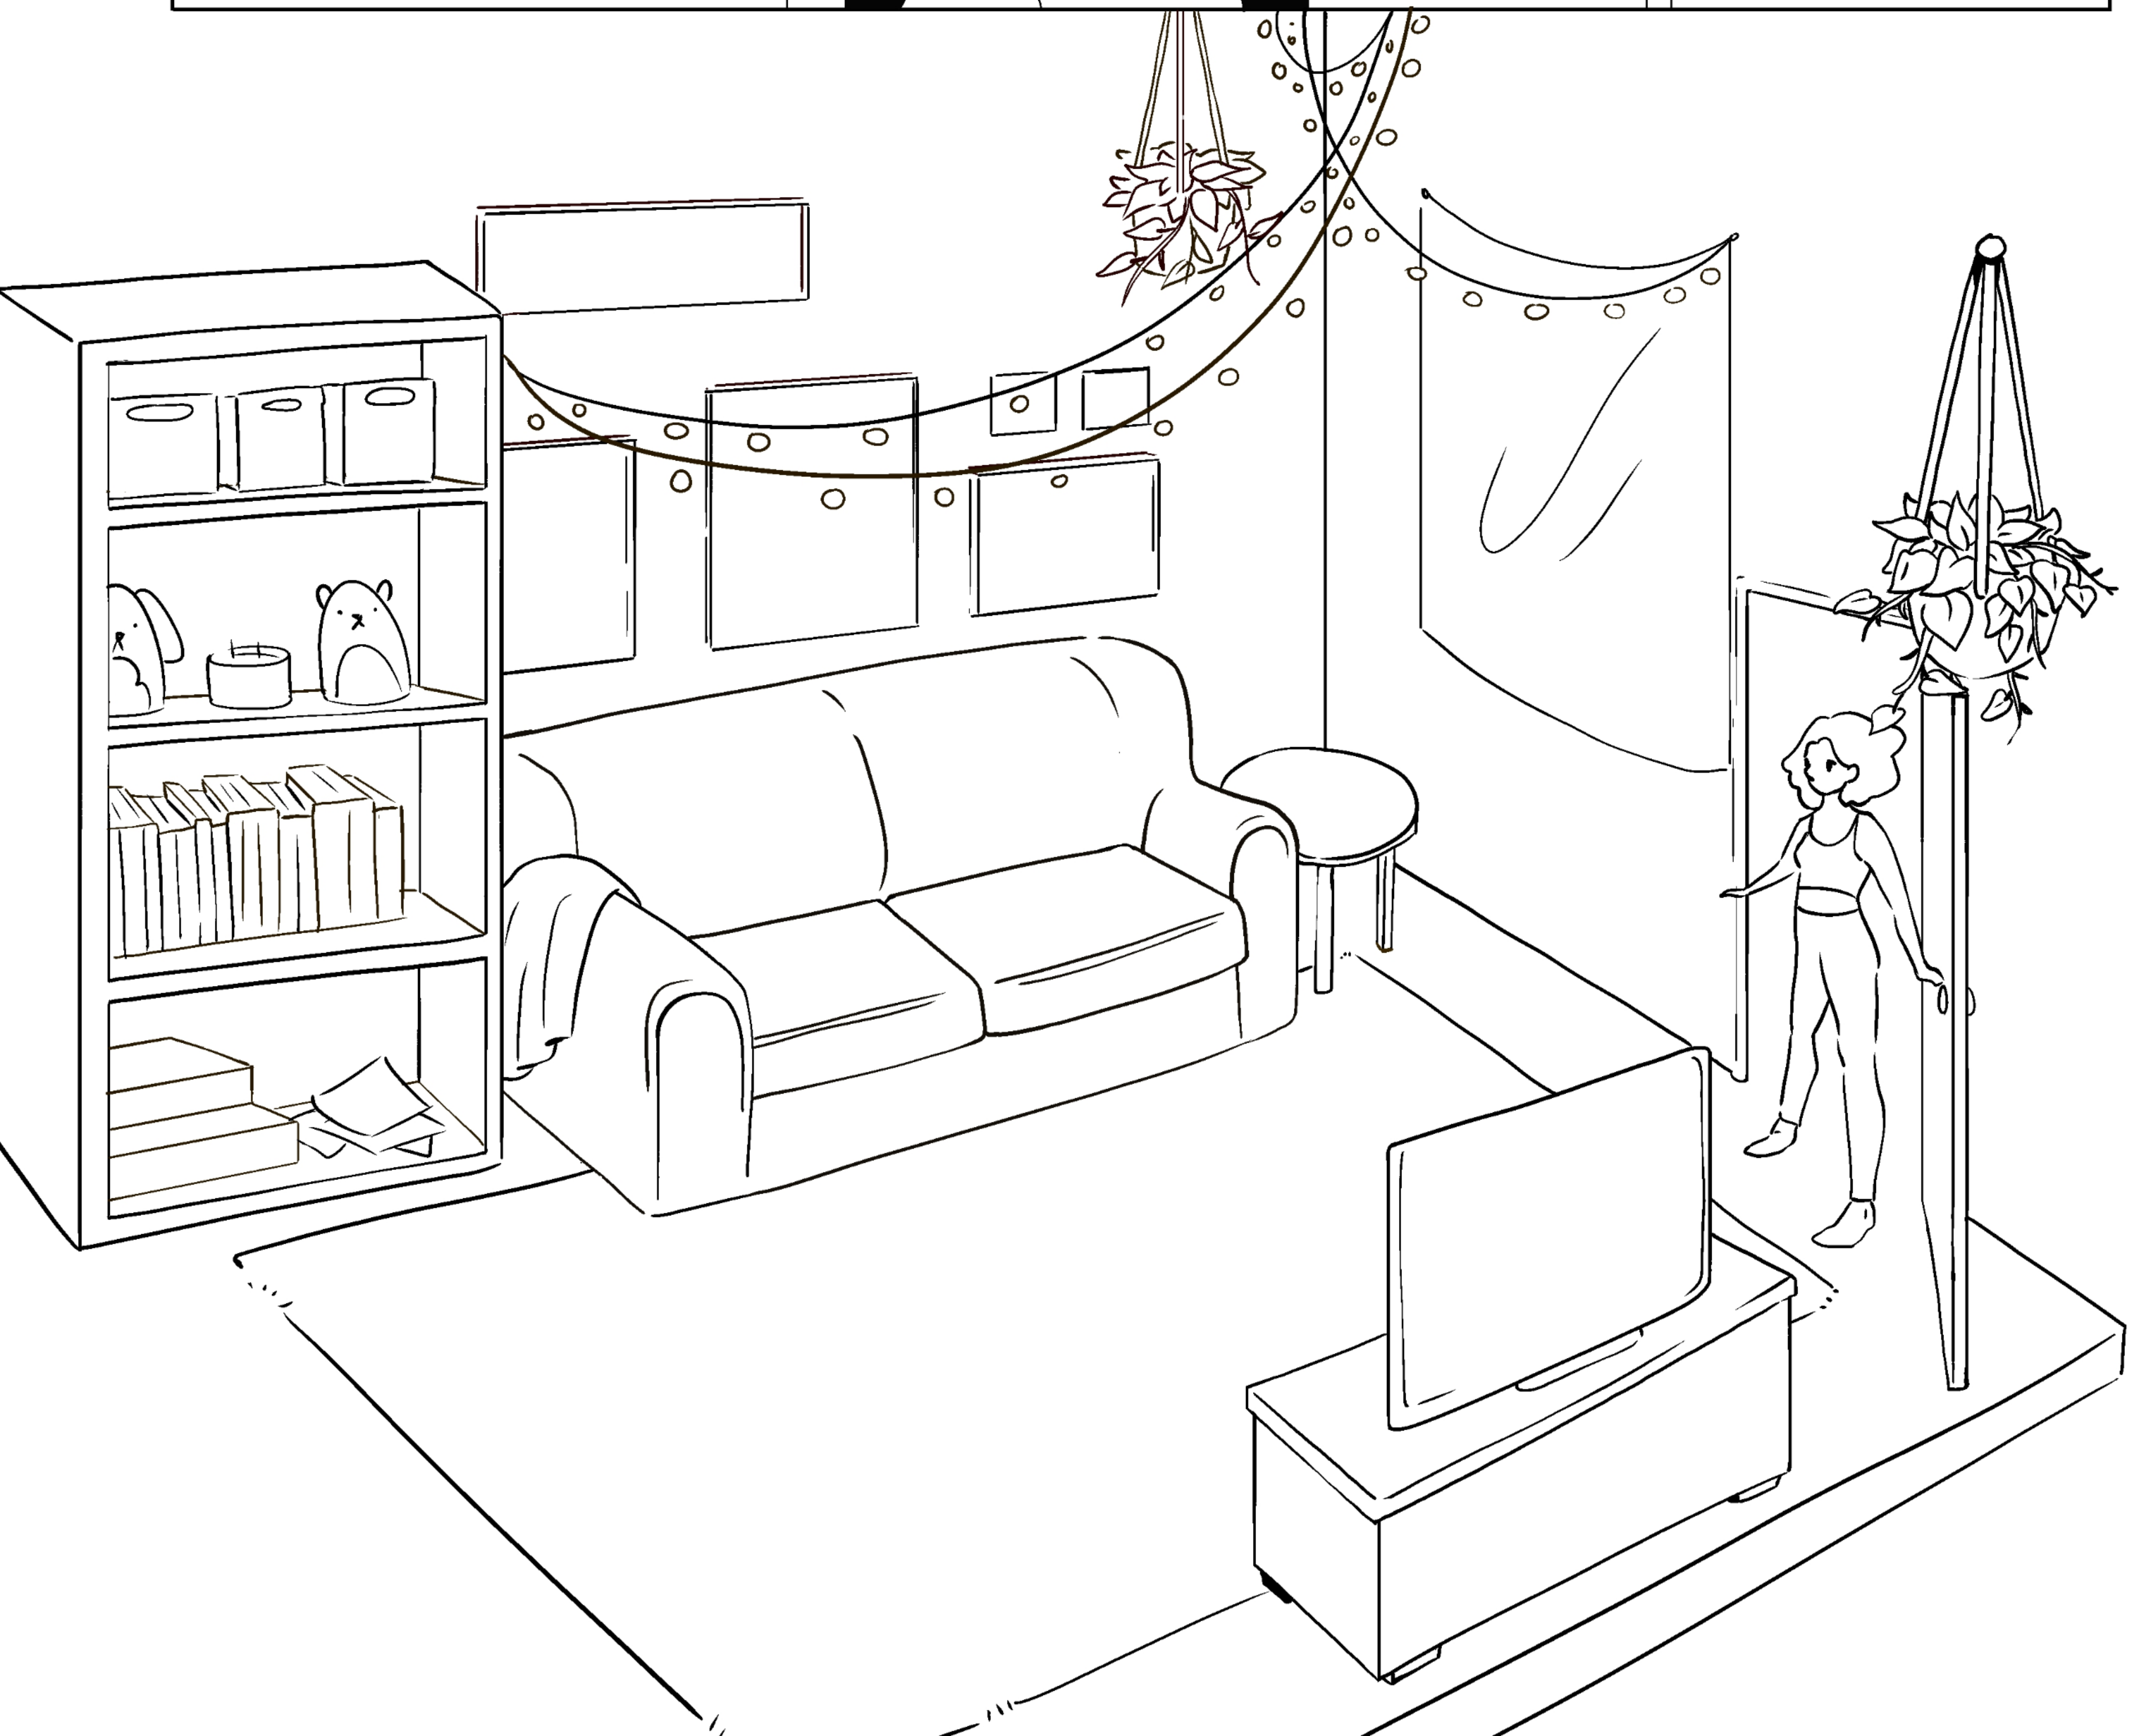

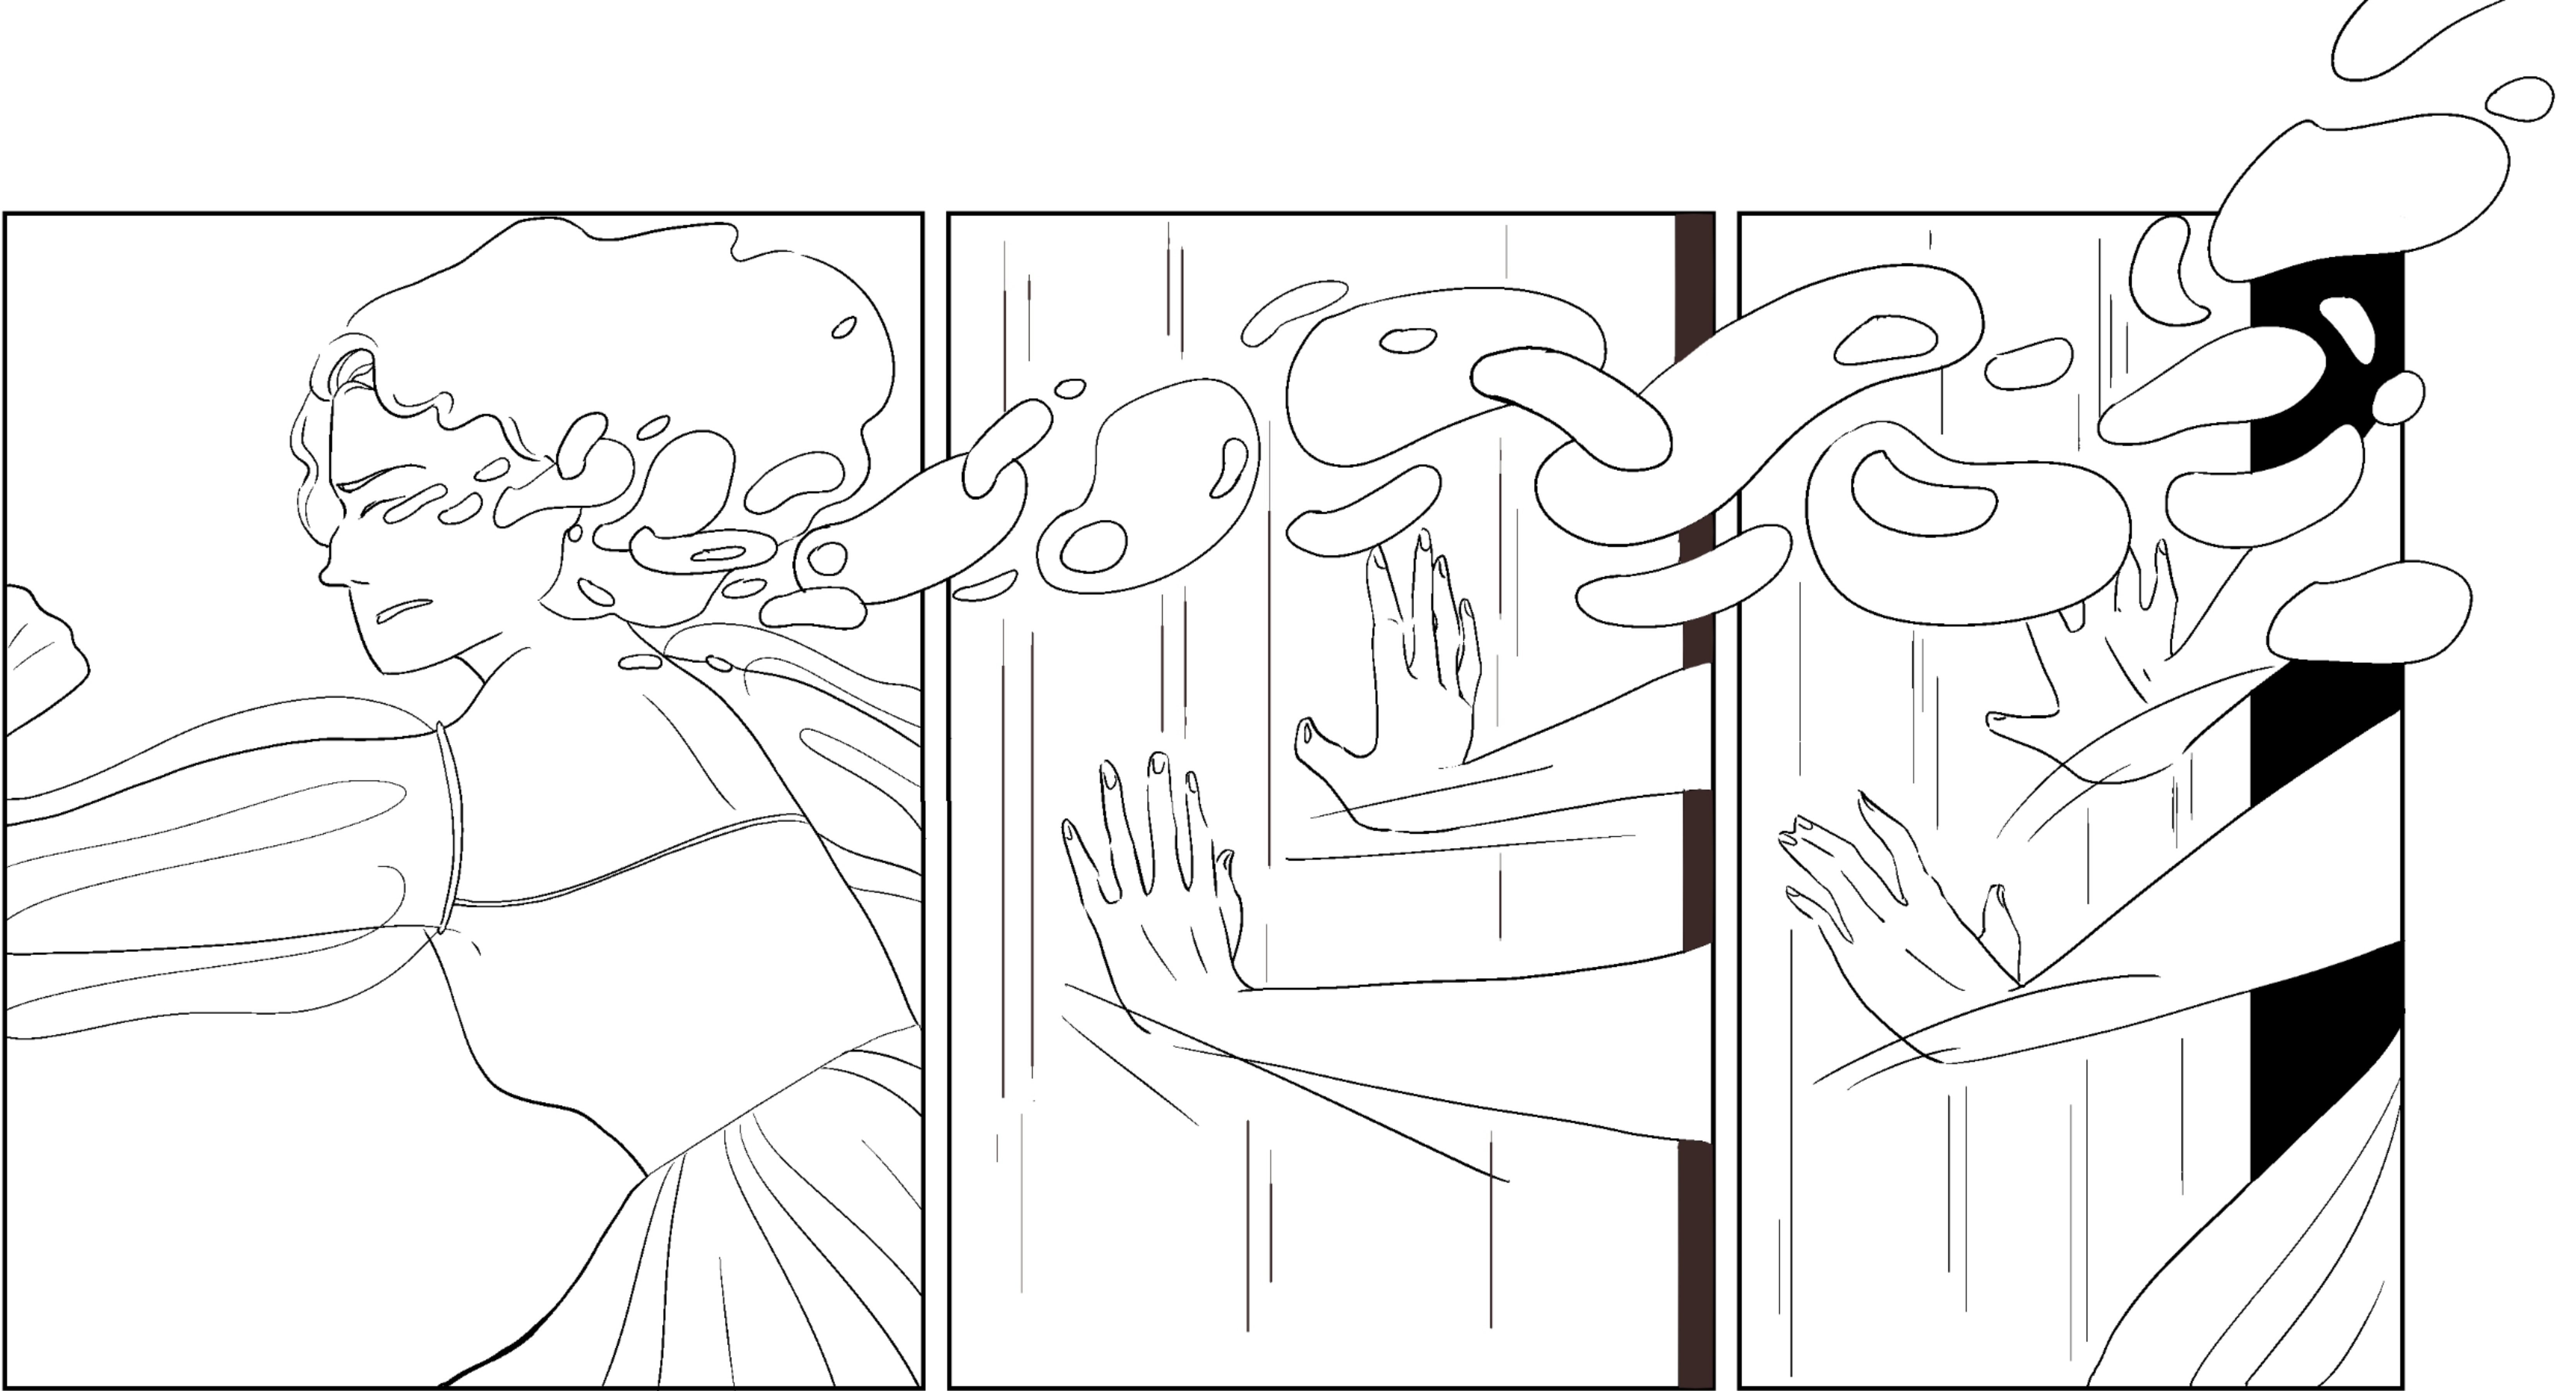

no.

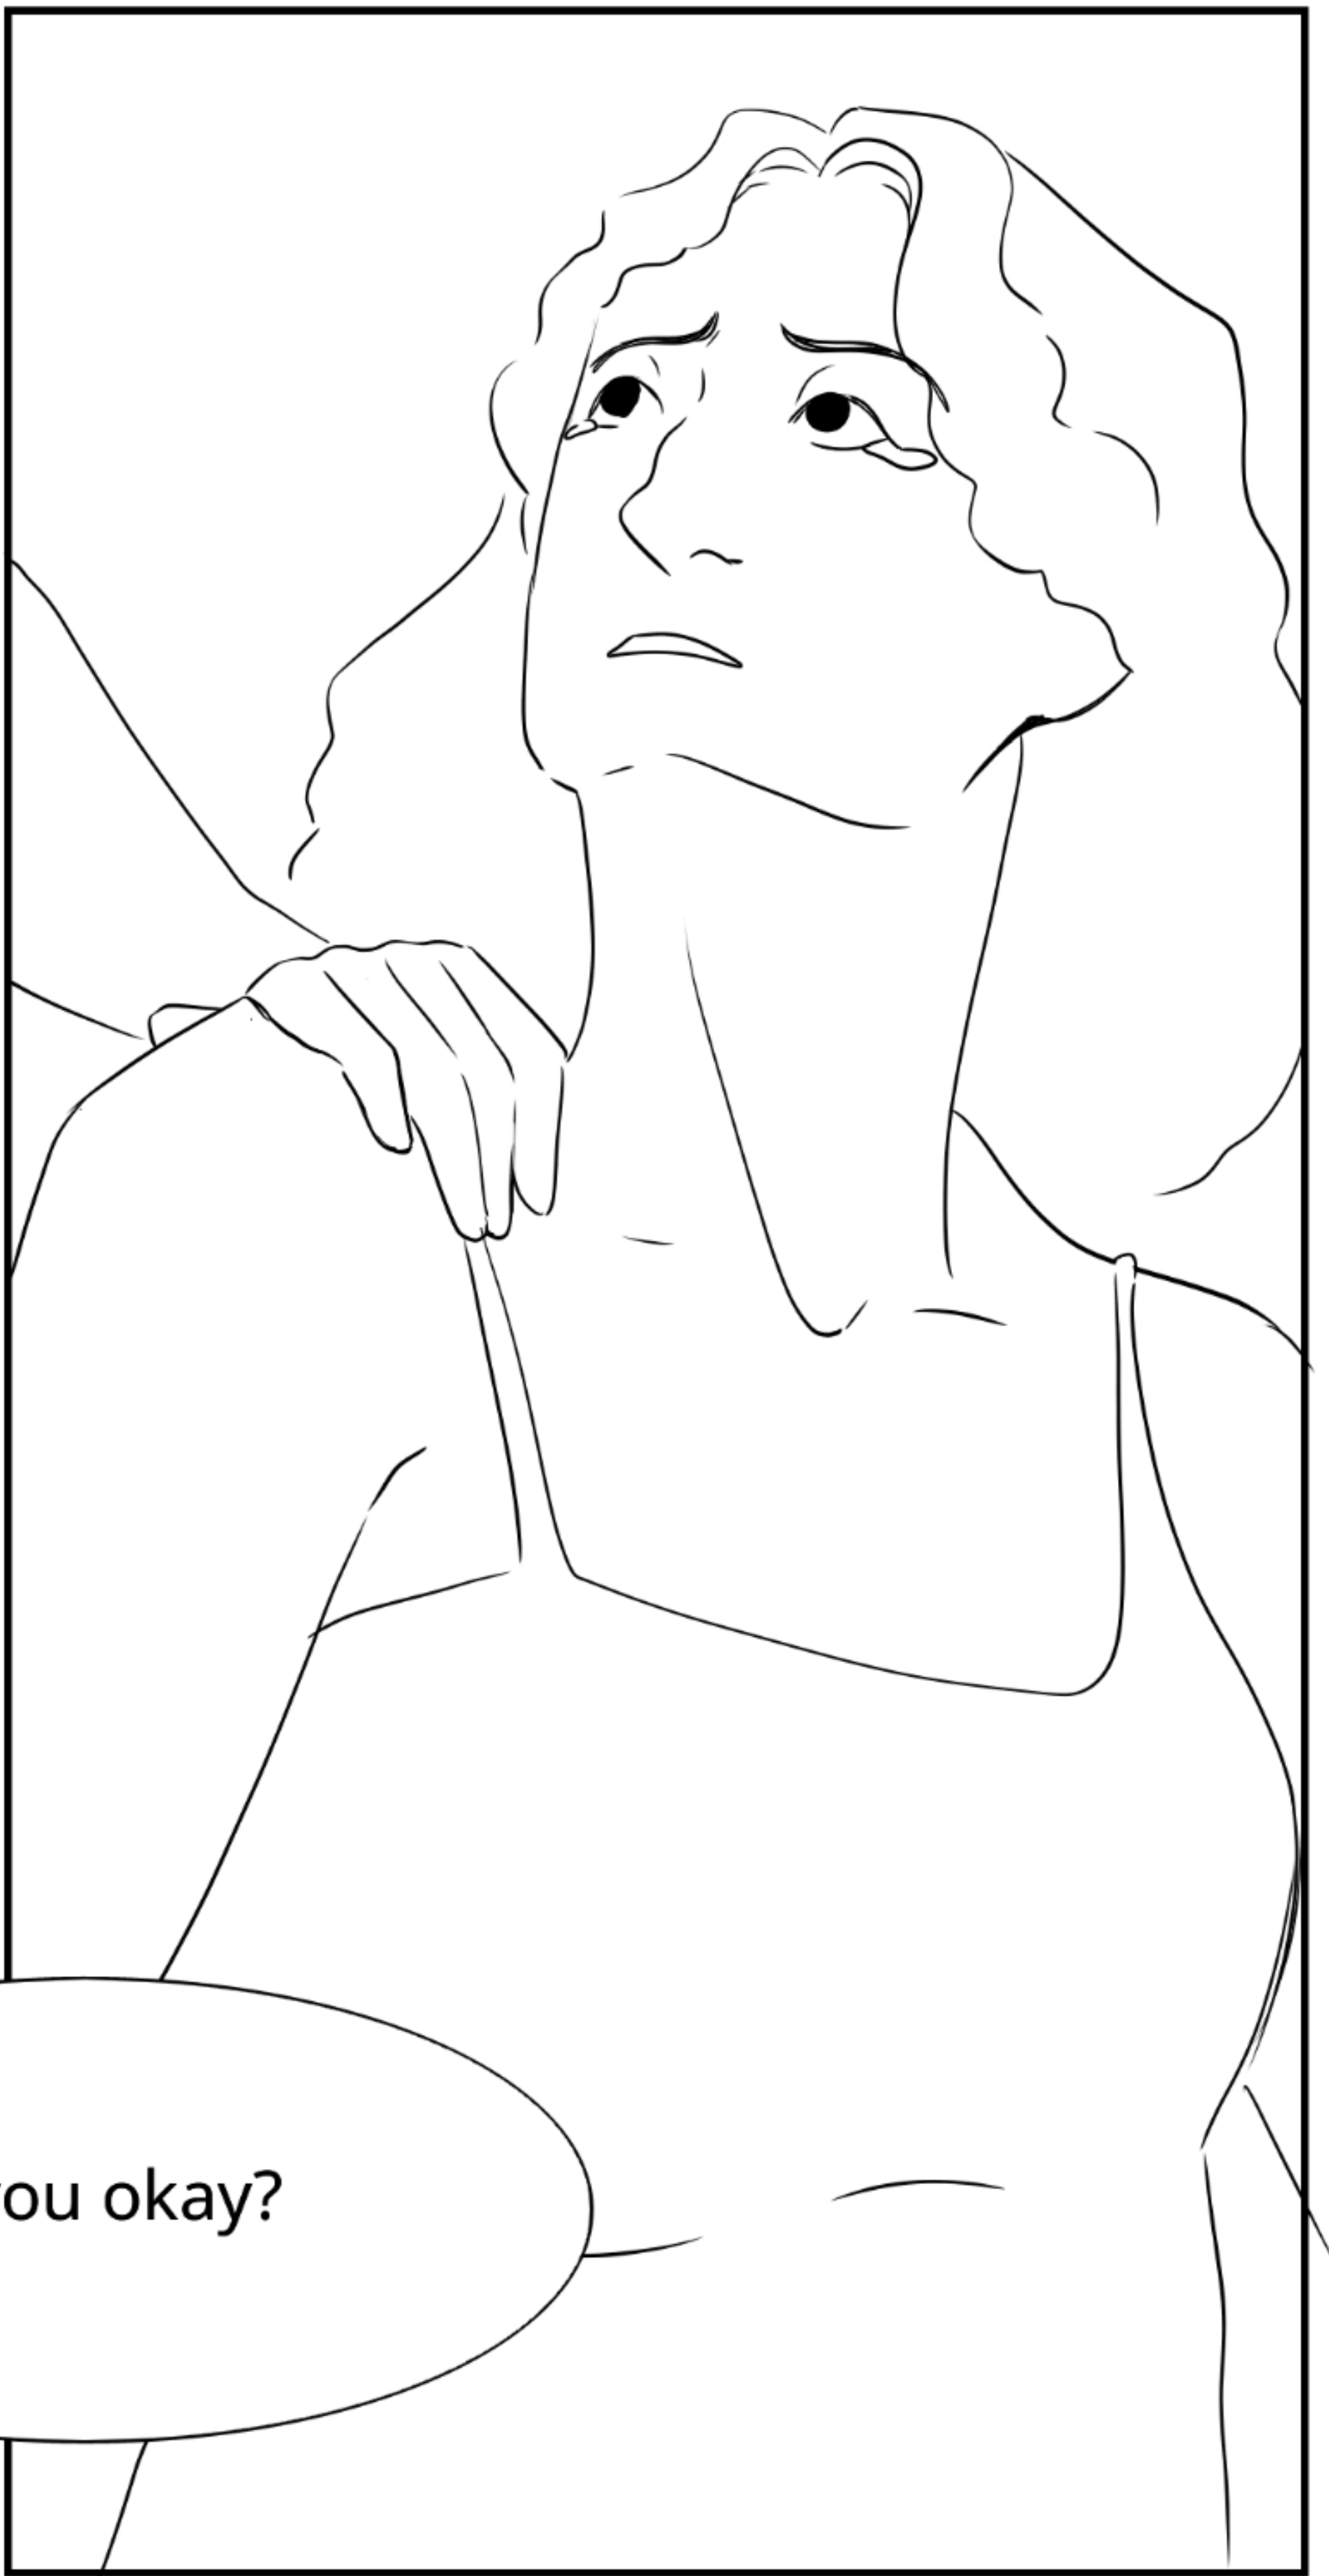

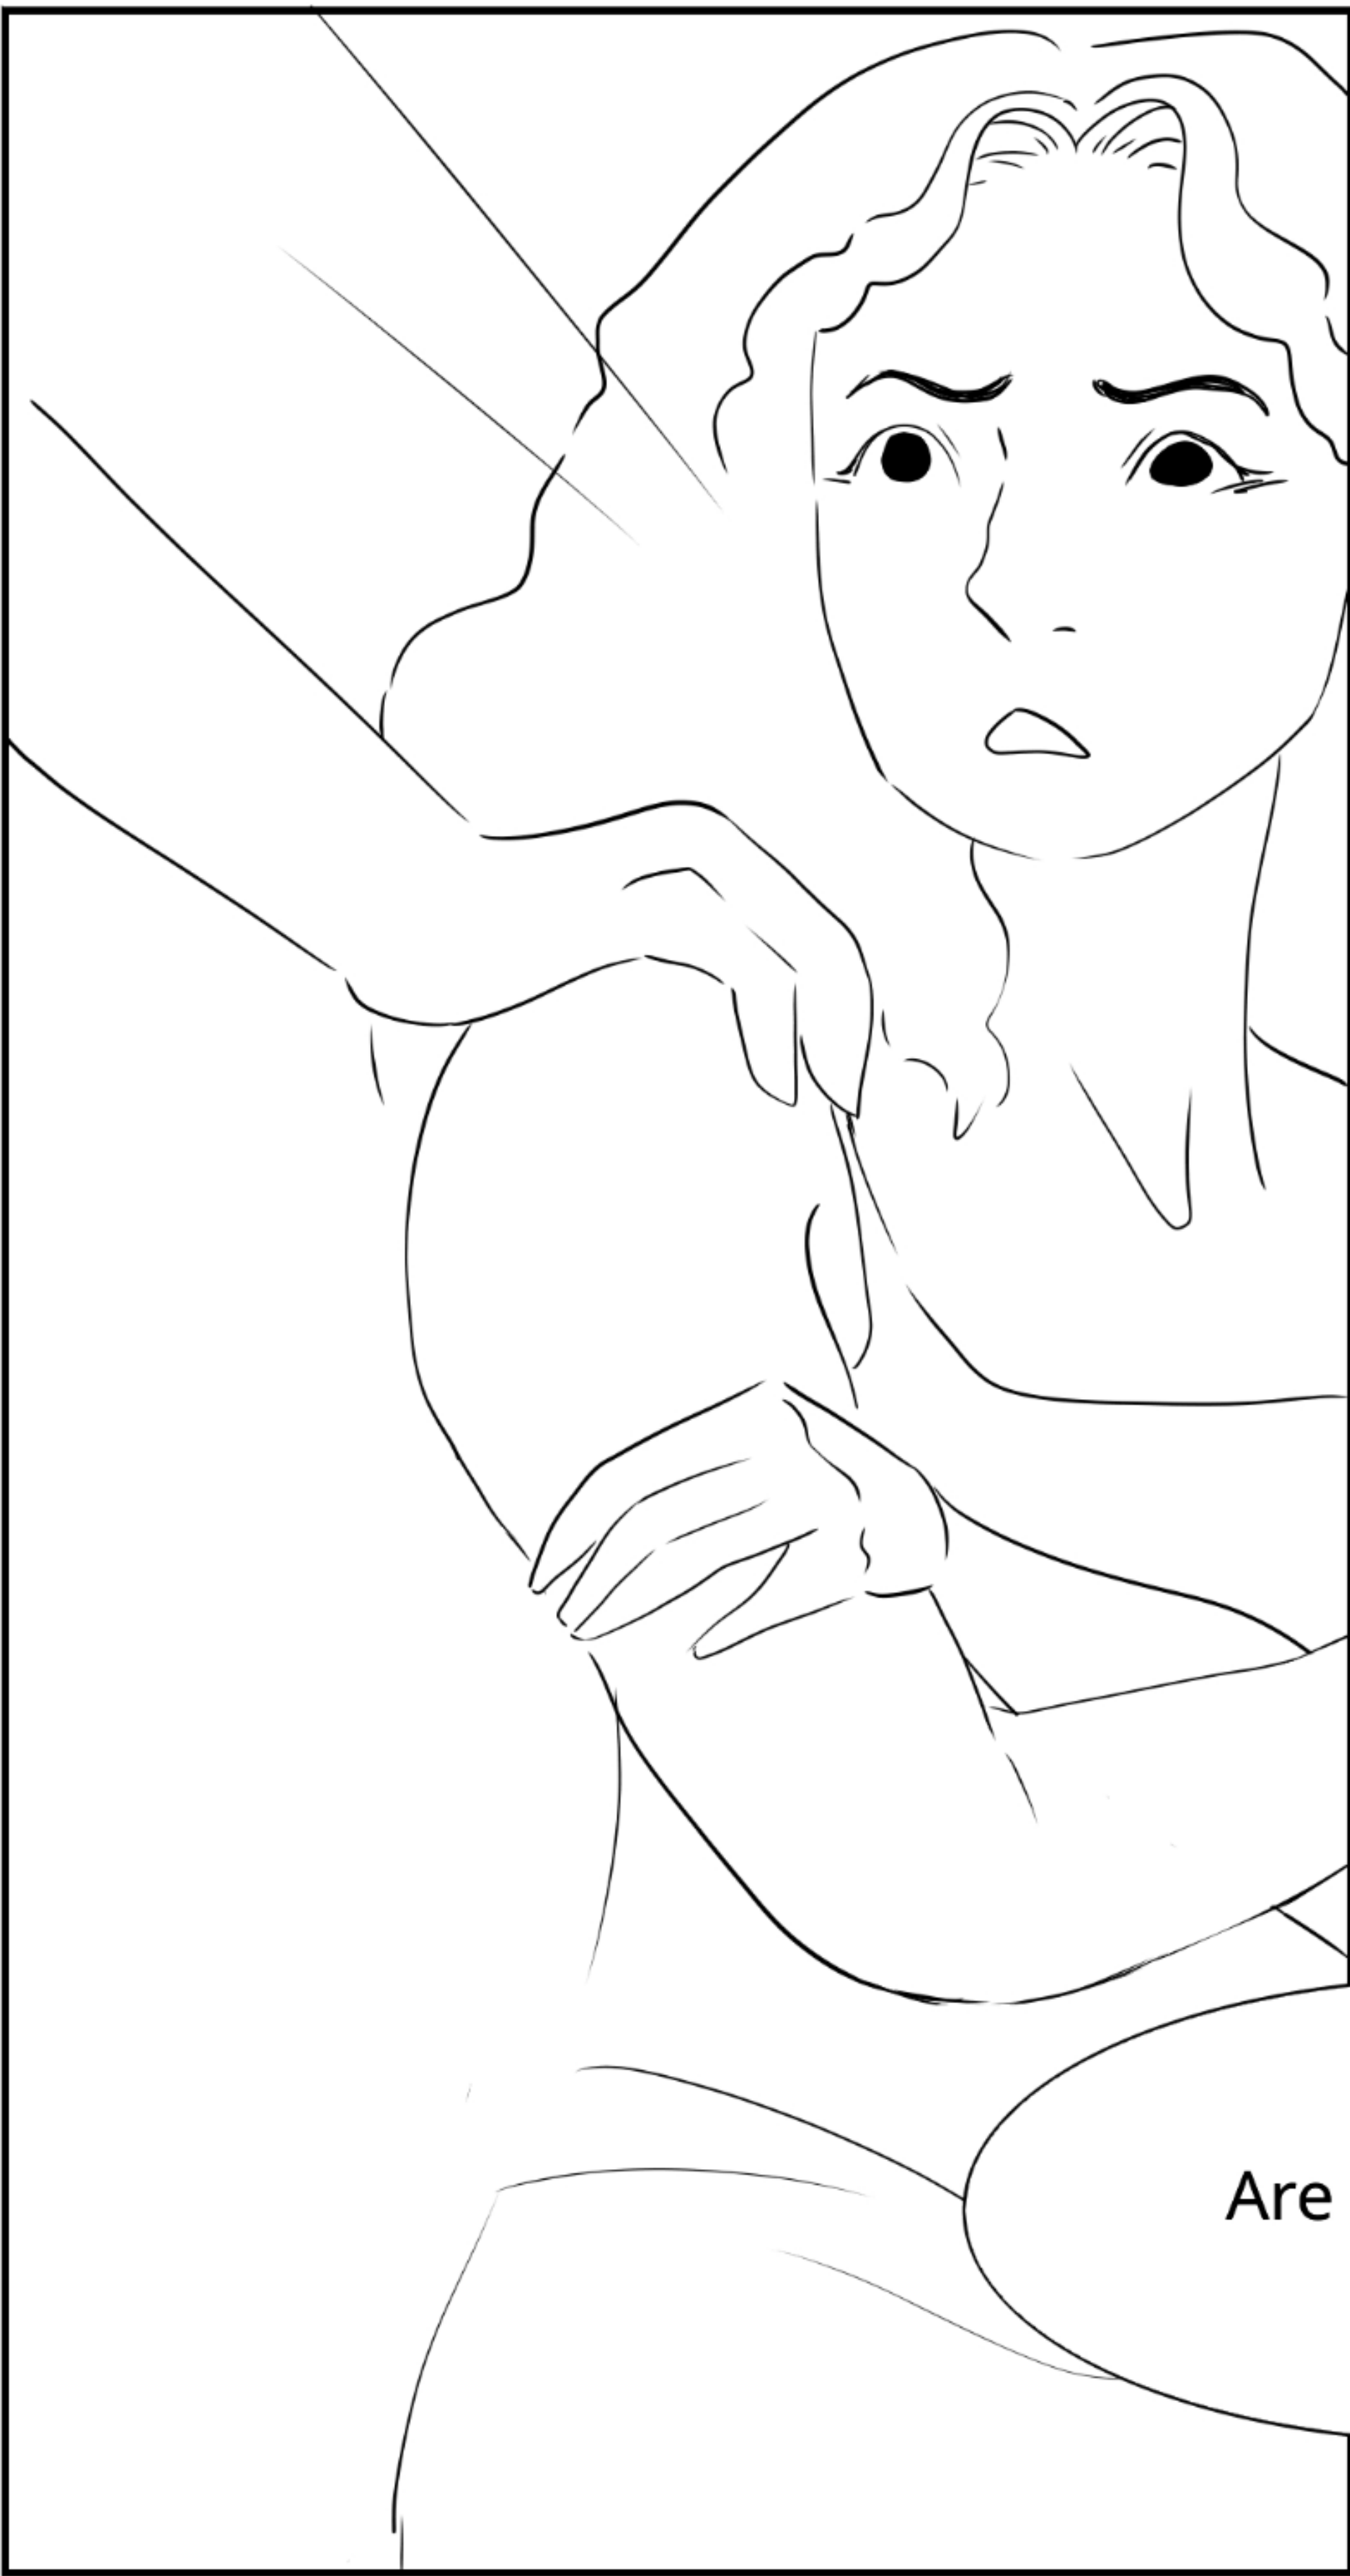

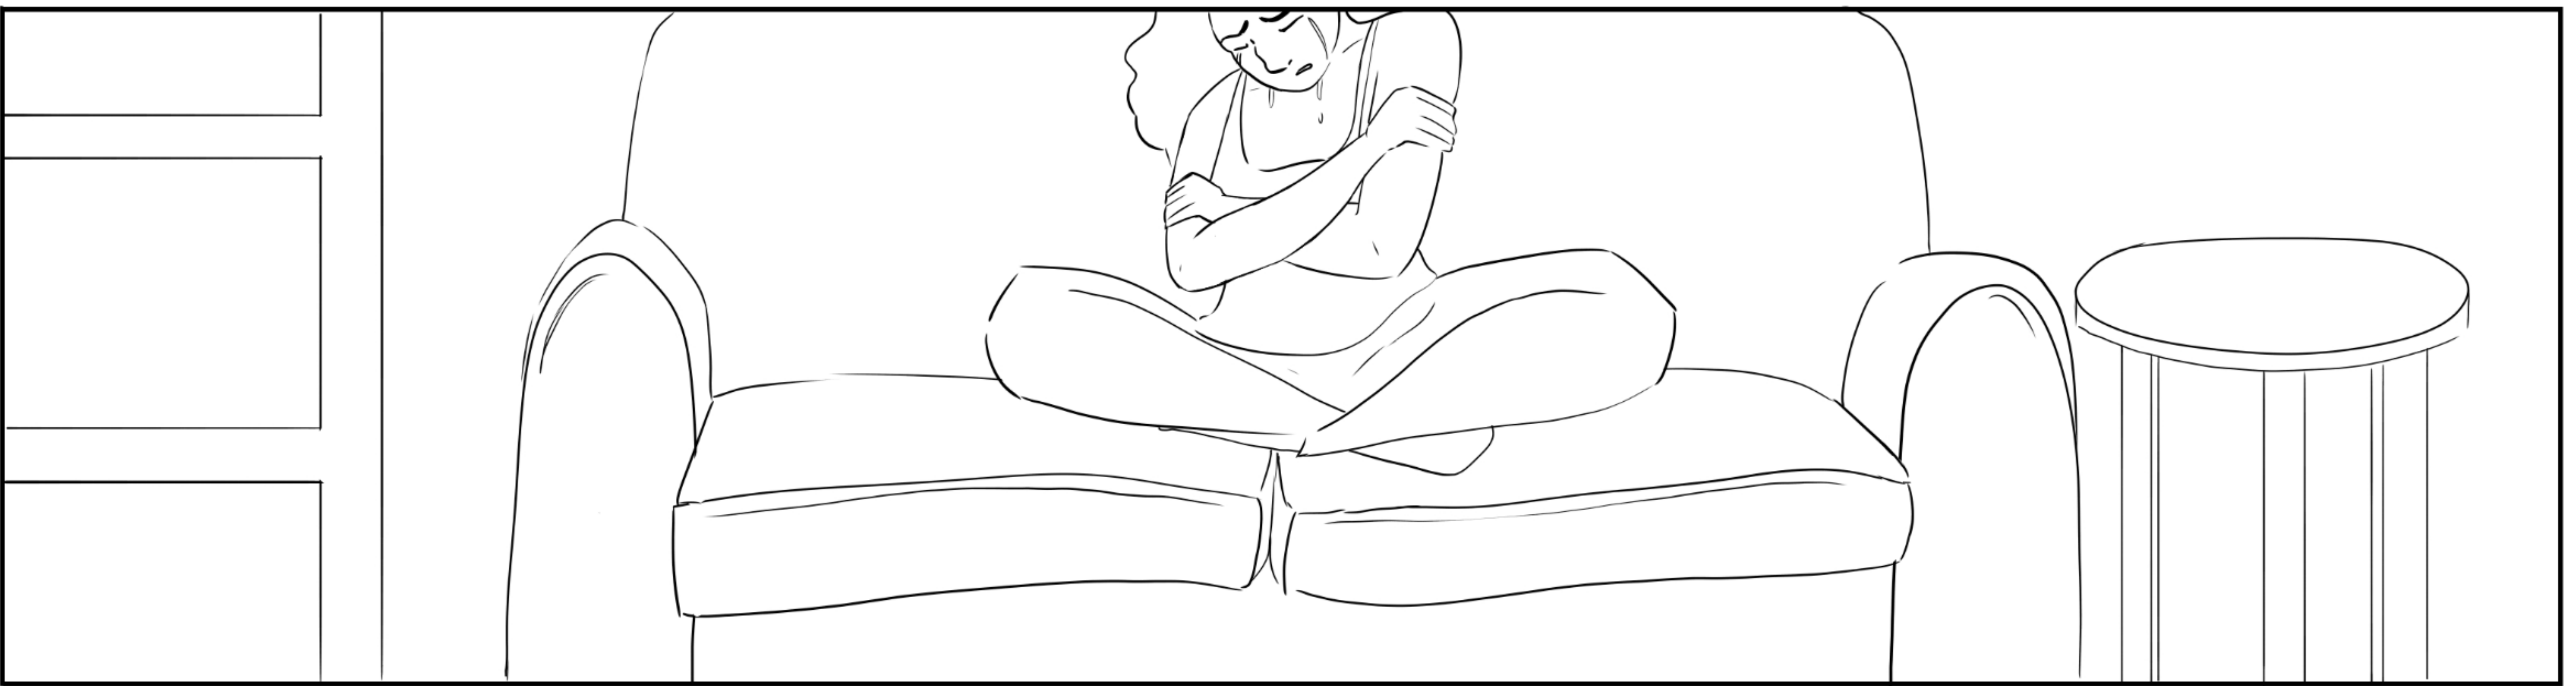

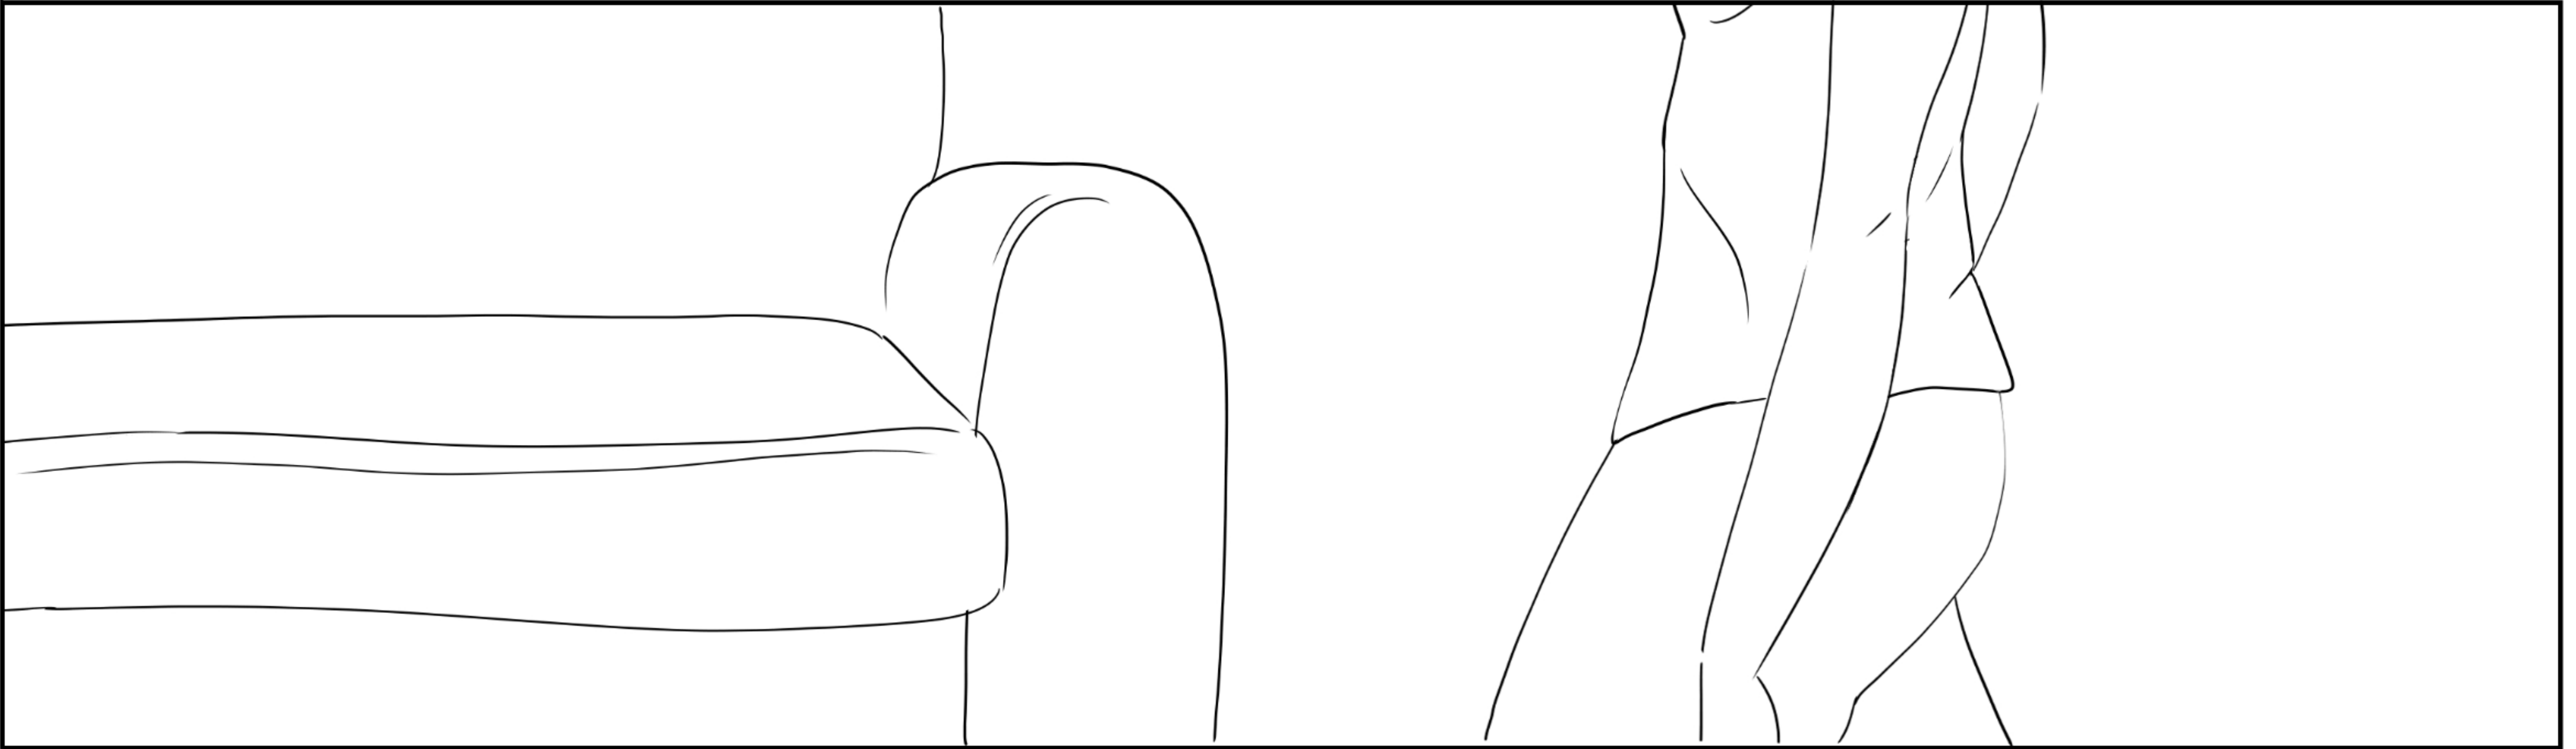

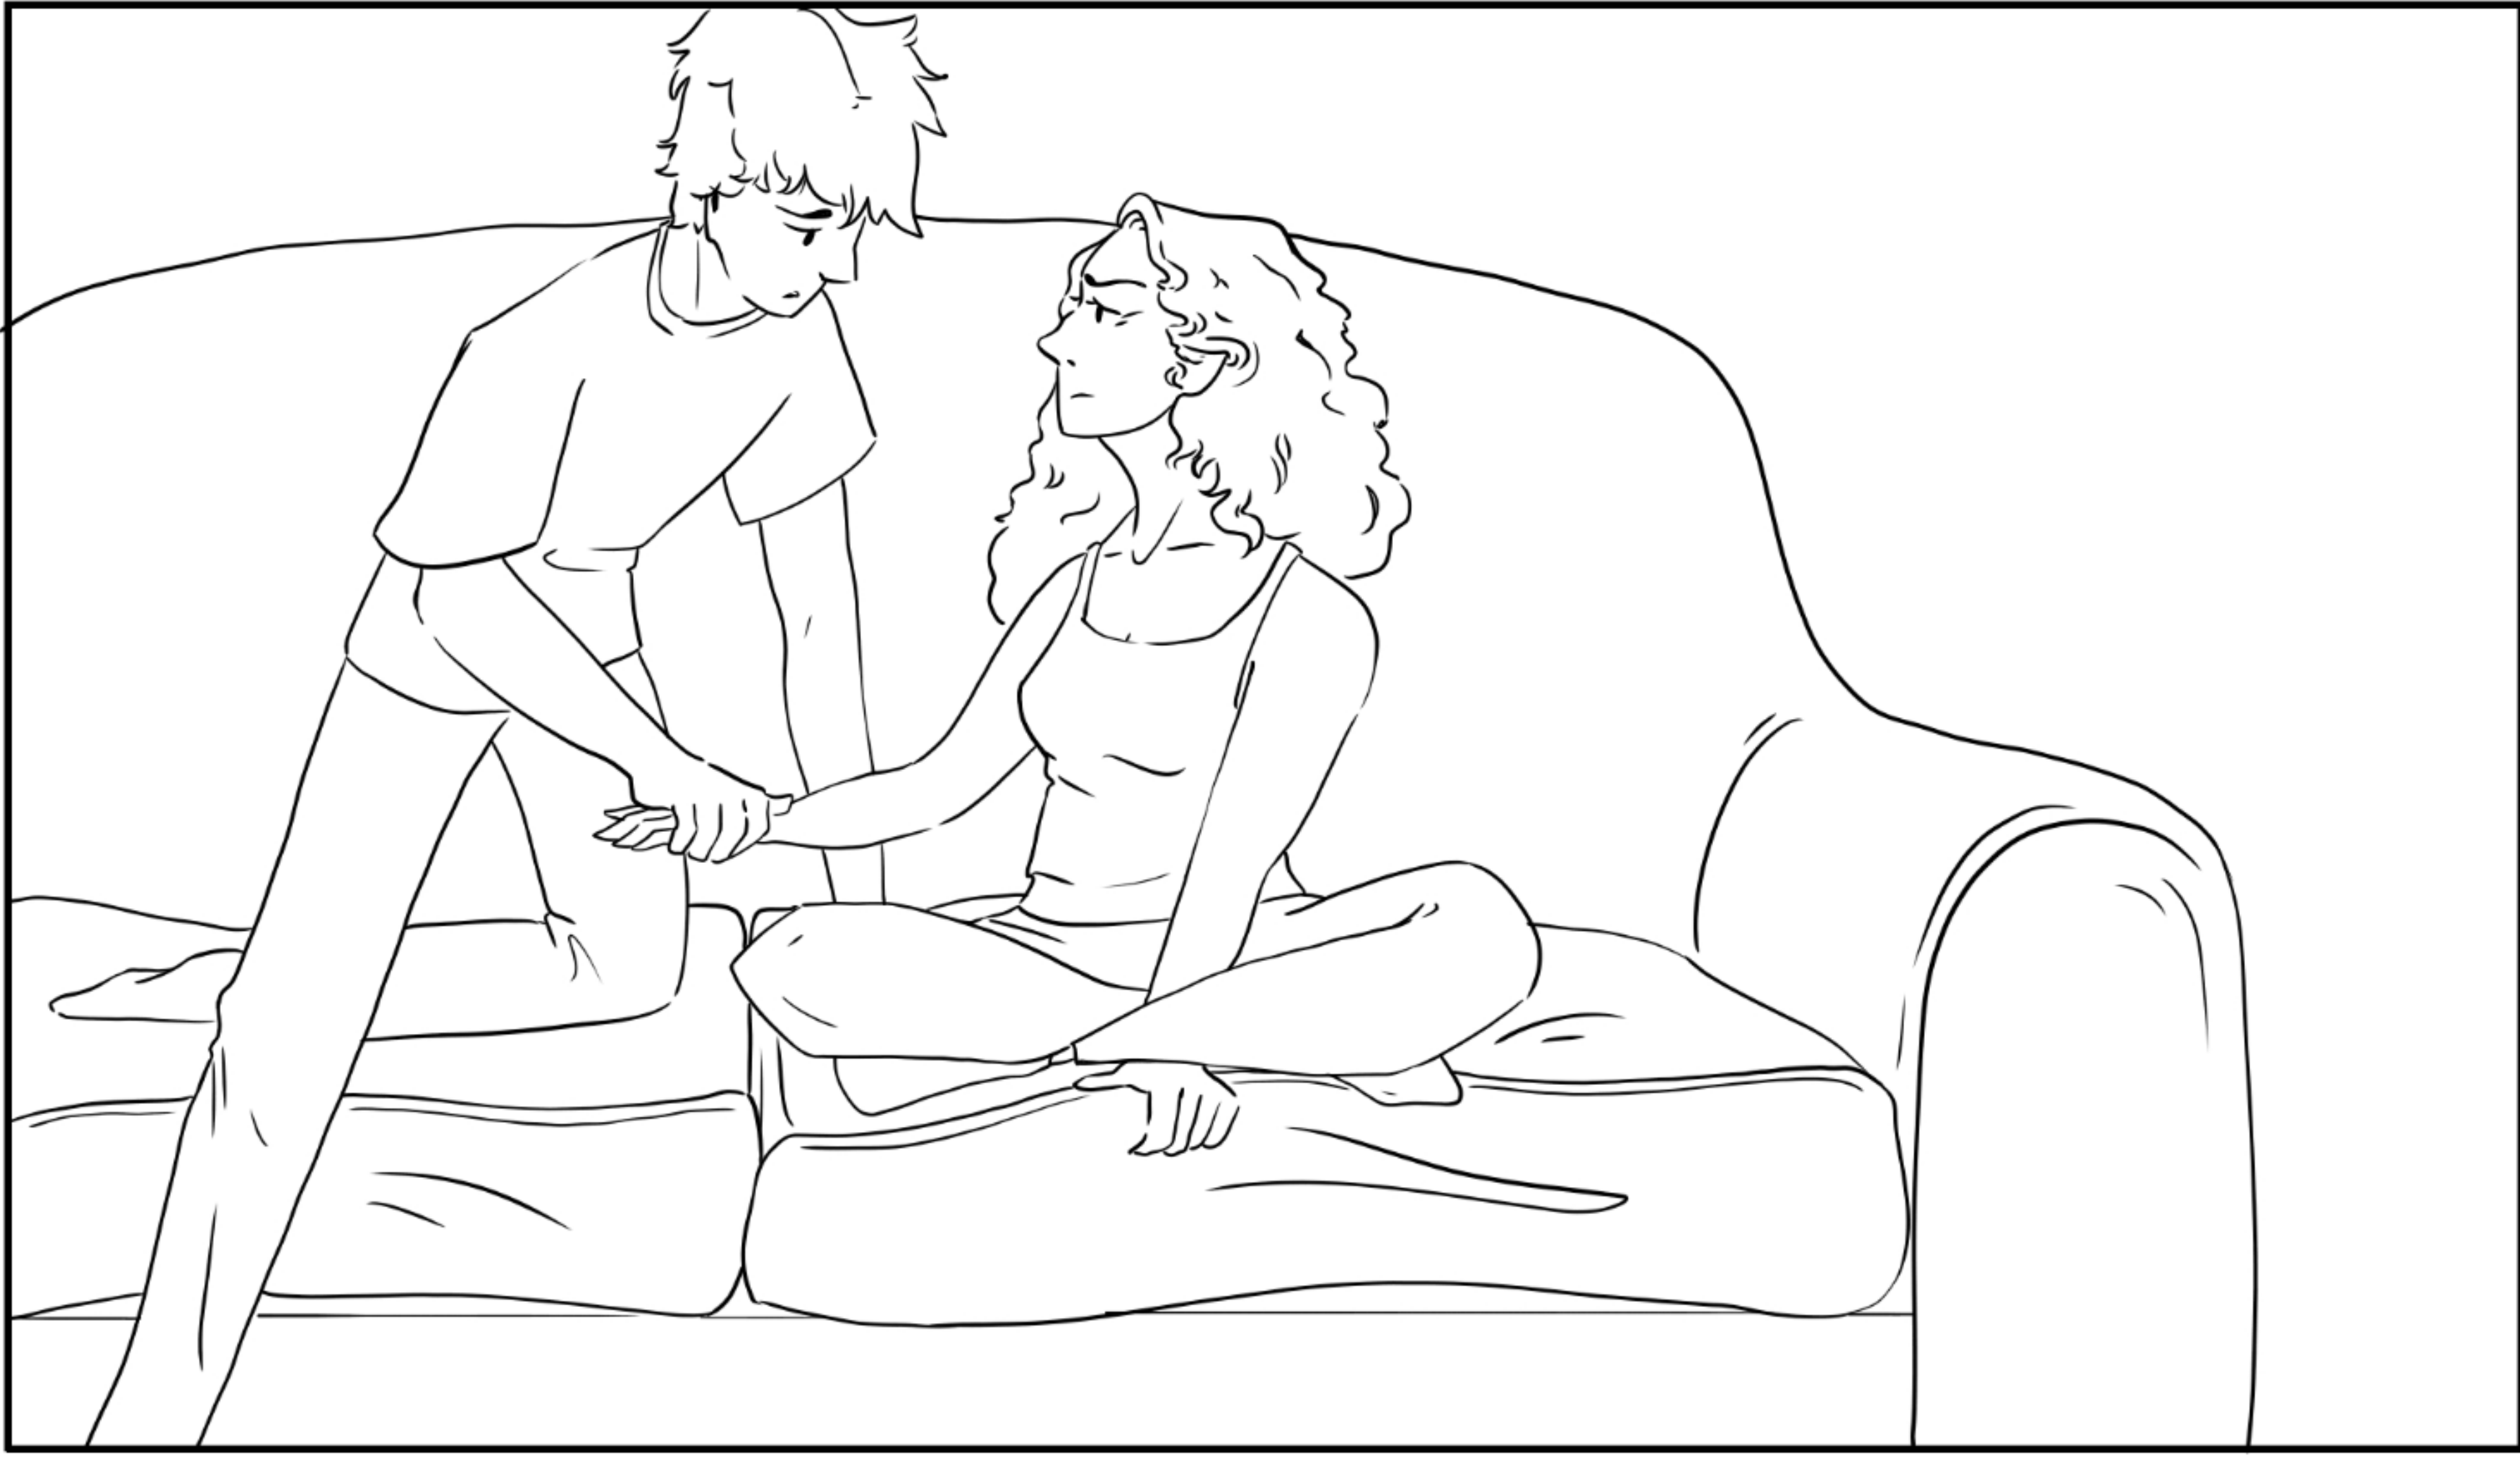

no no no no no no no no
no no no no no
no no no
no no

NO

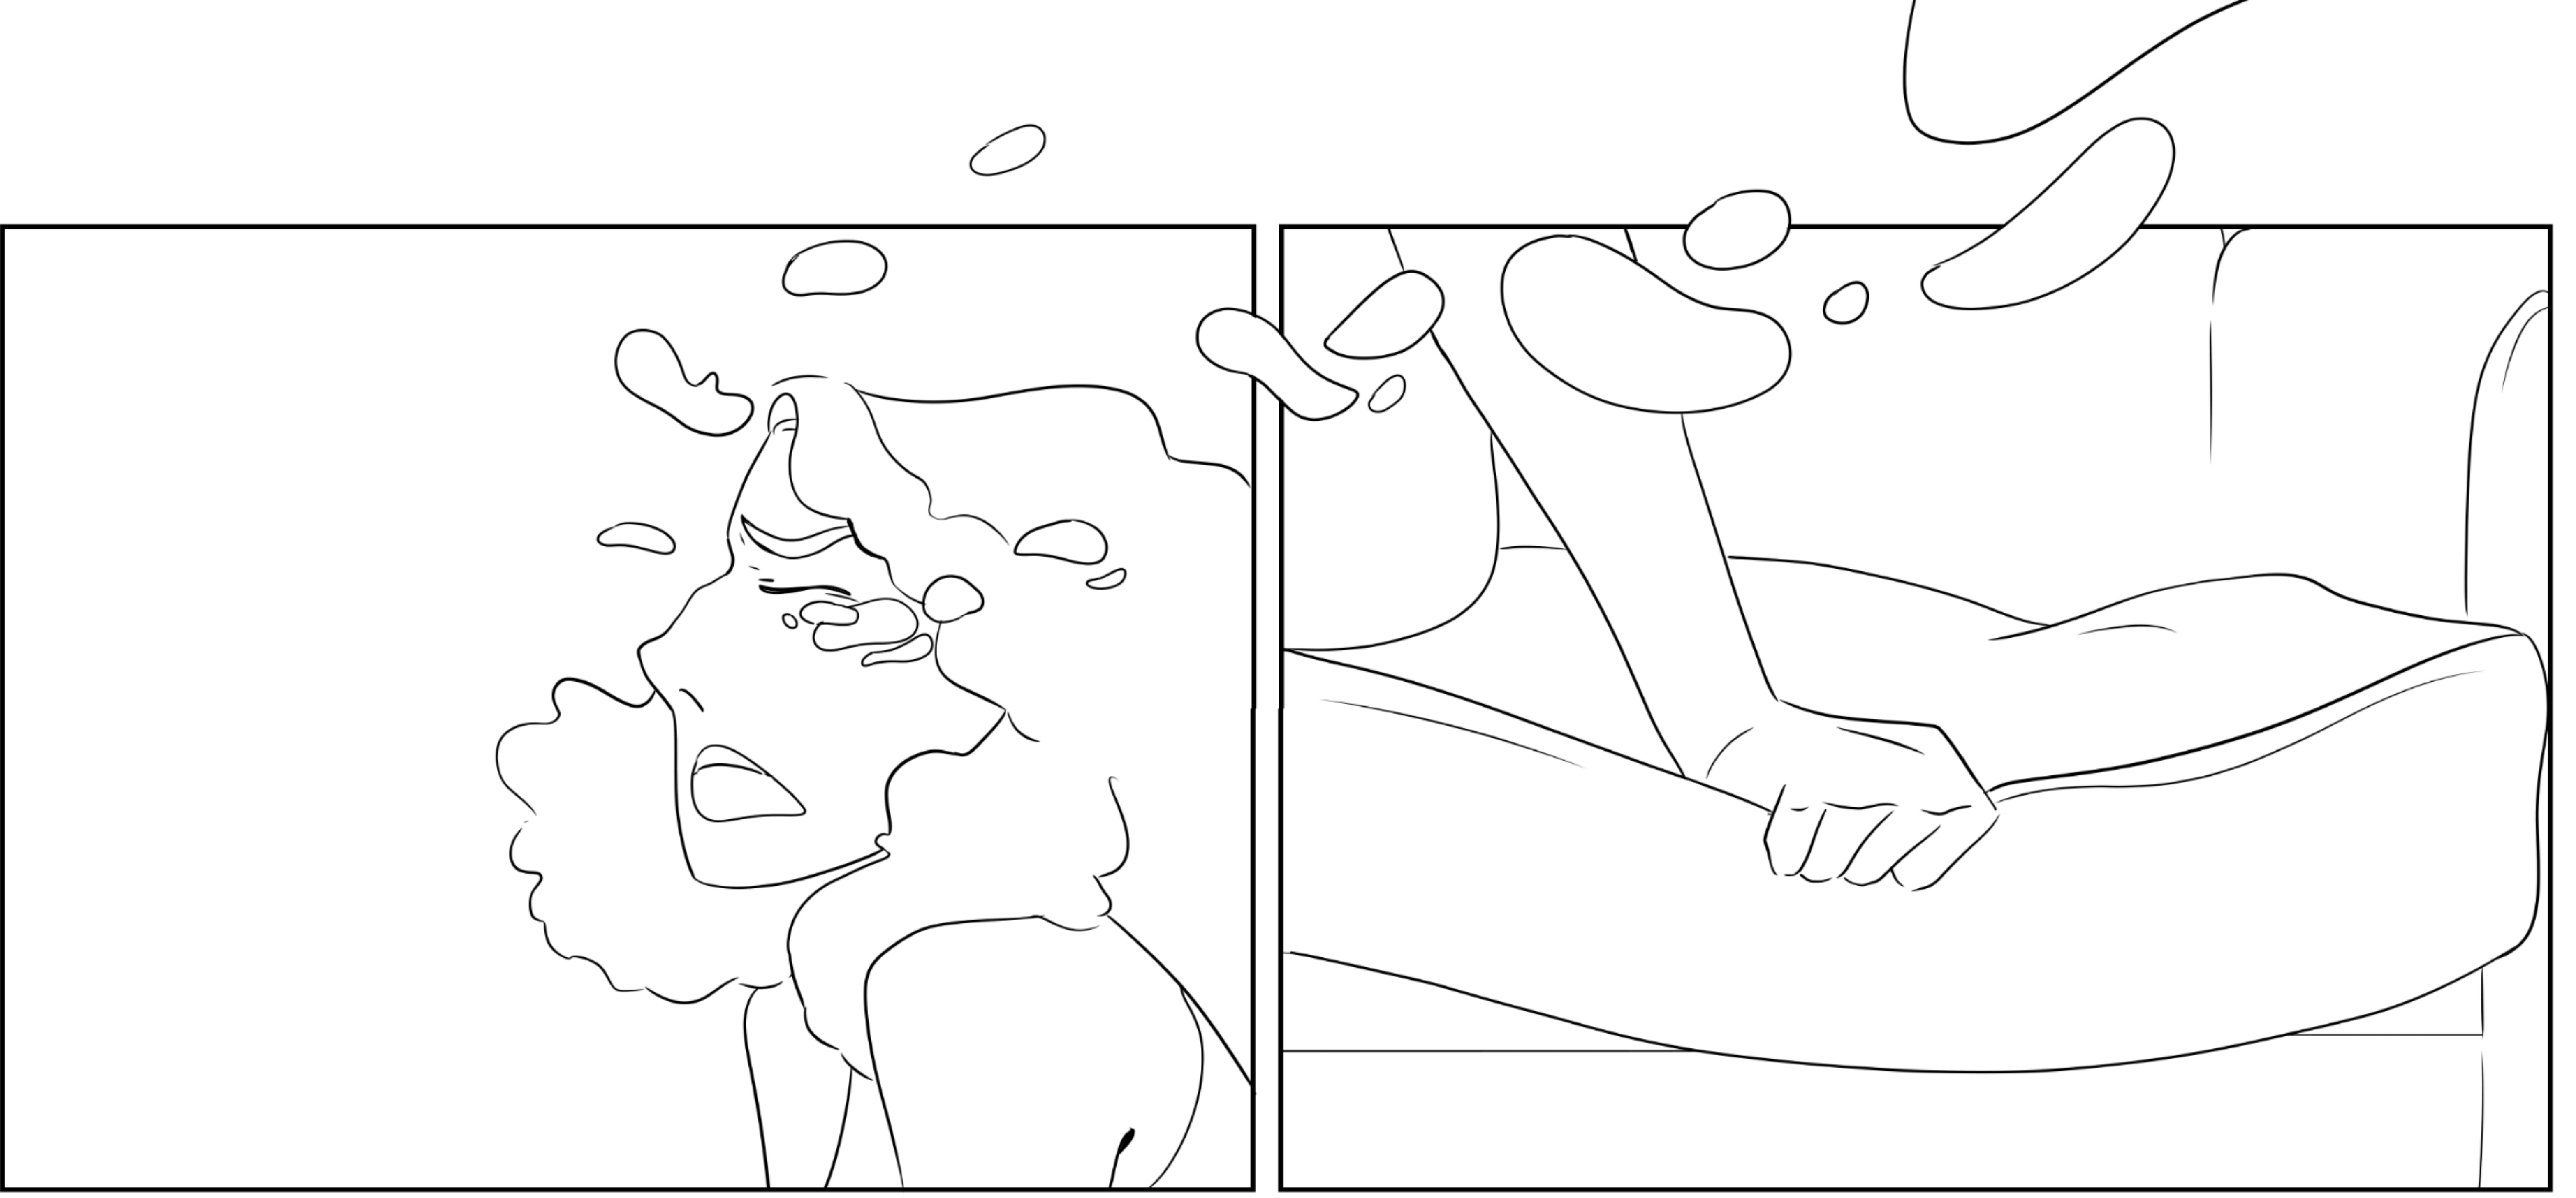

YOU HURT ME.

YOU RAPED ME.

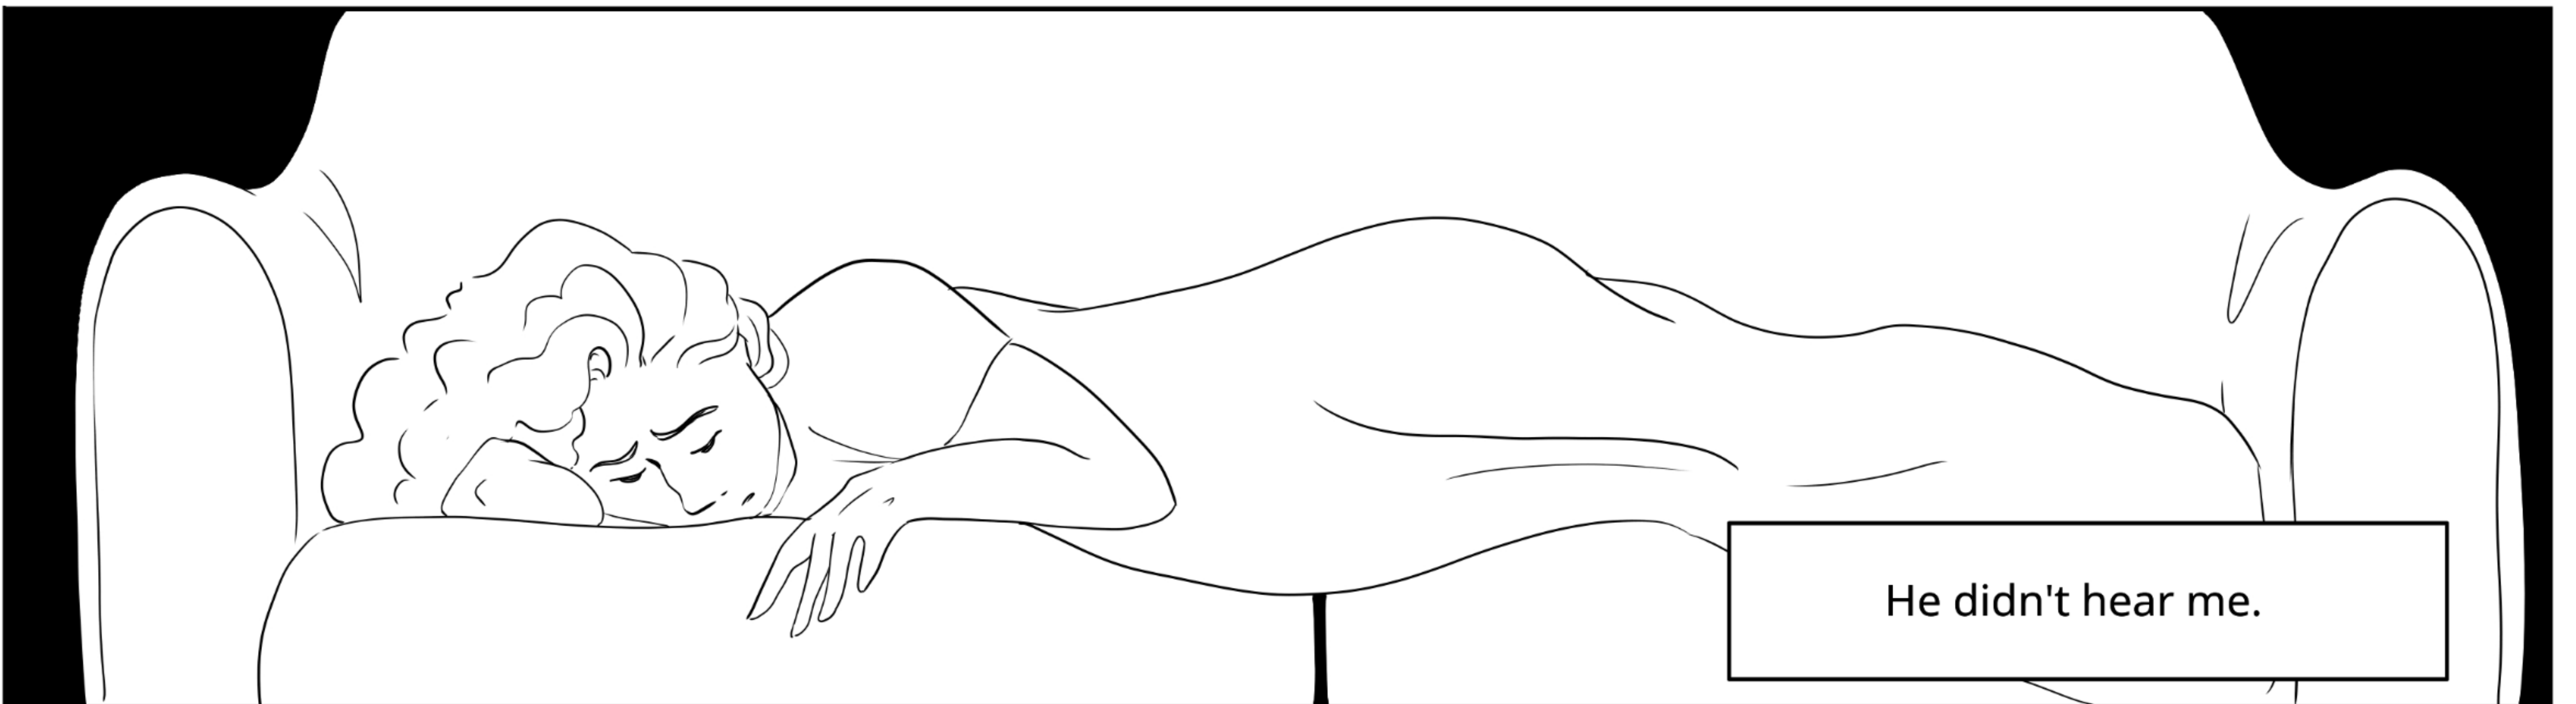

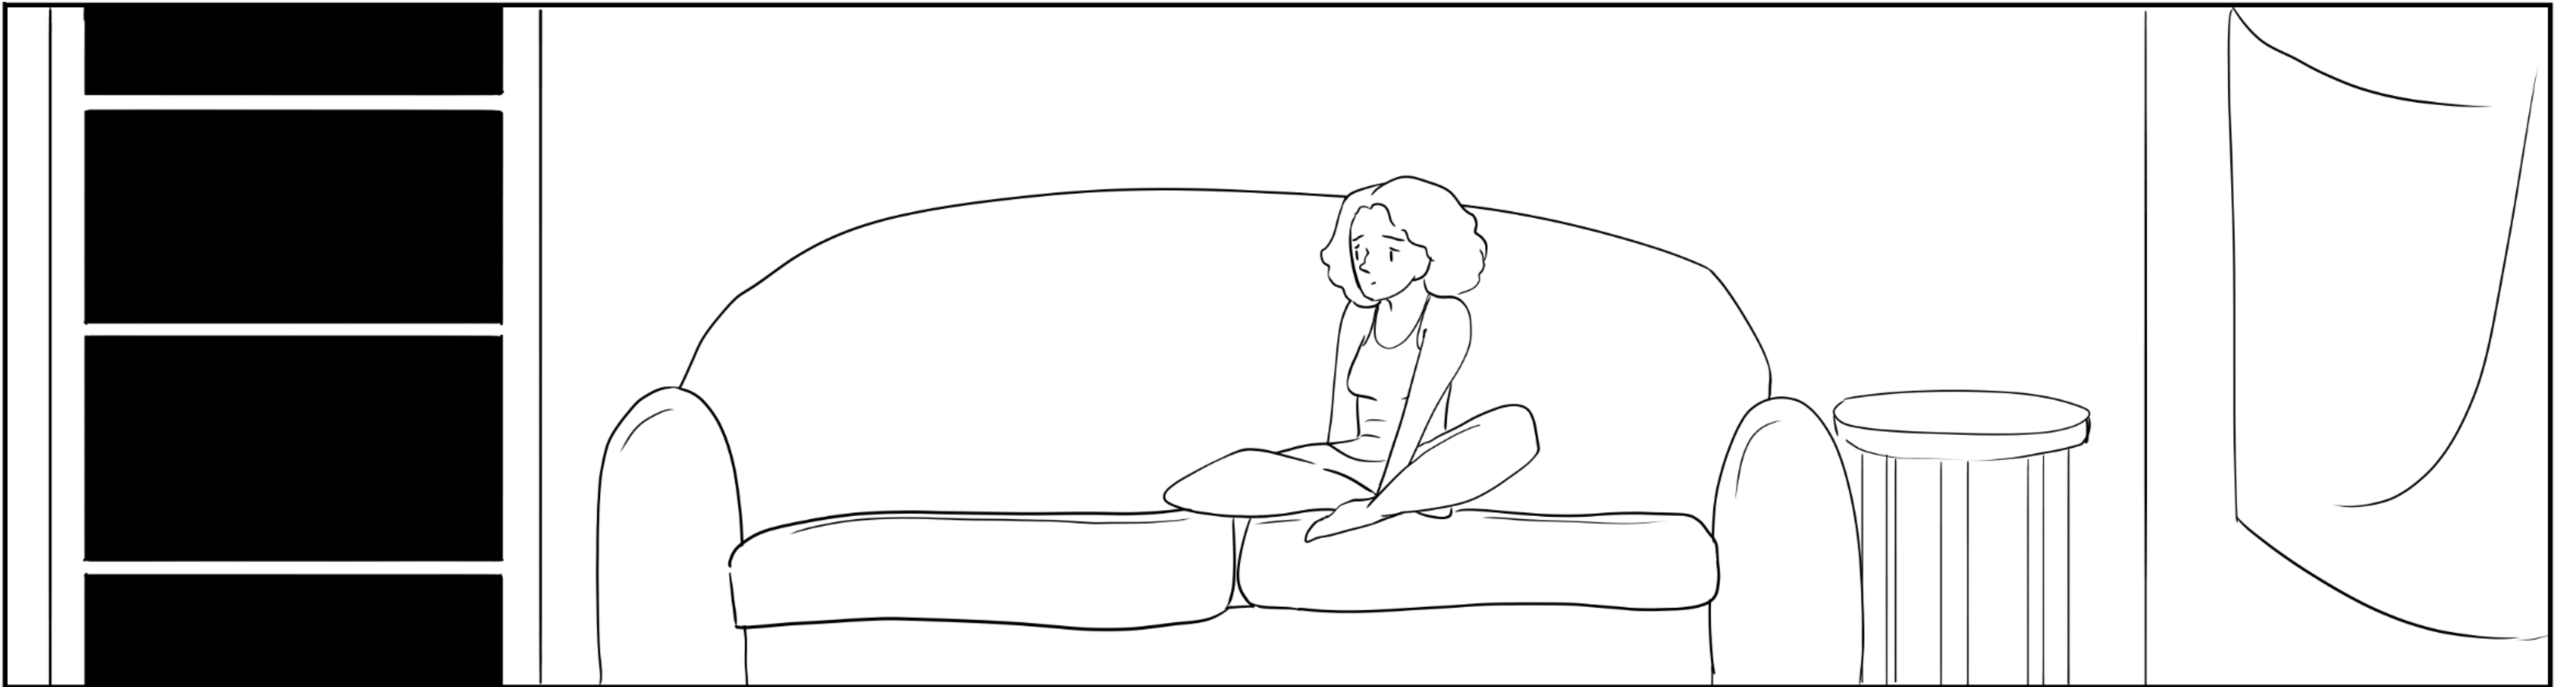

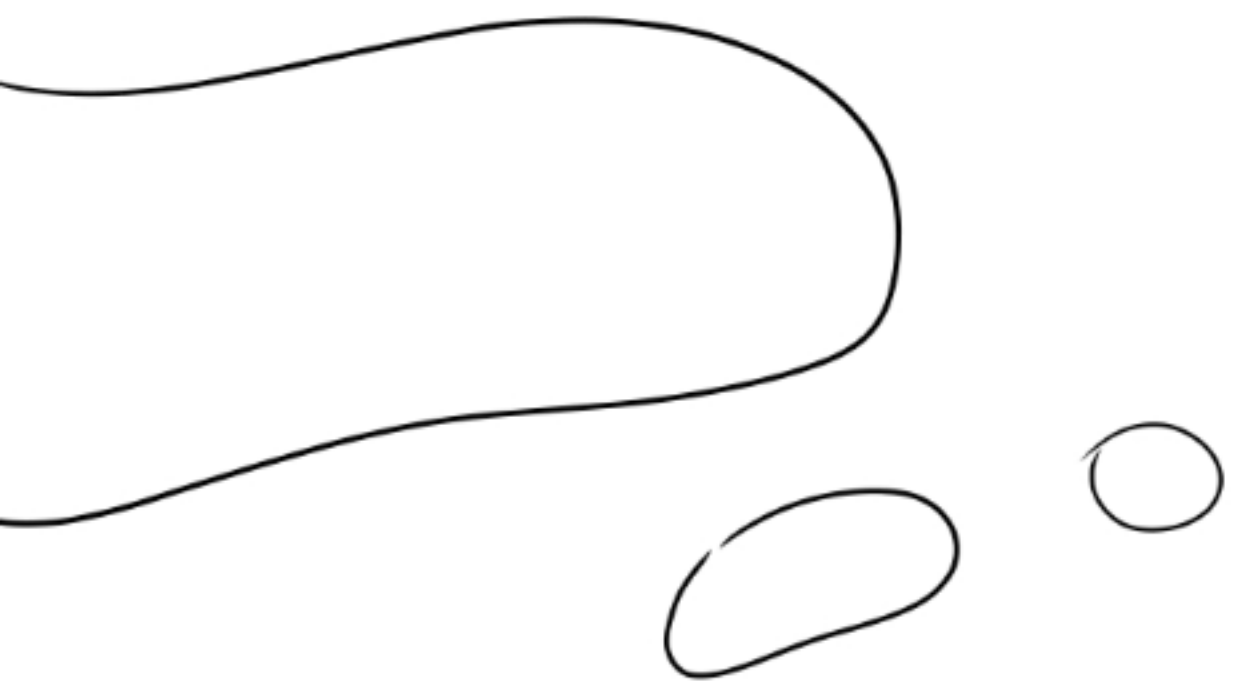

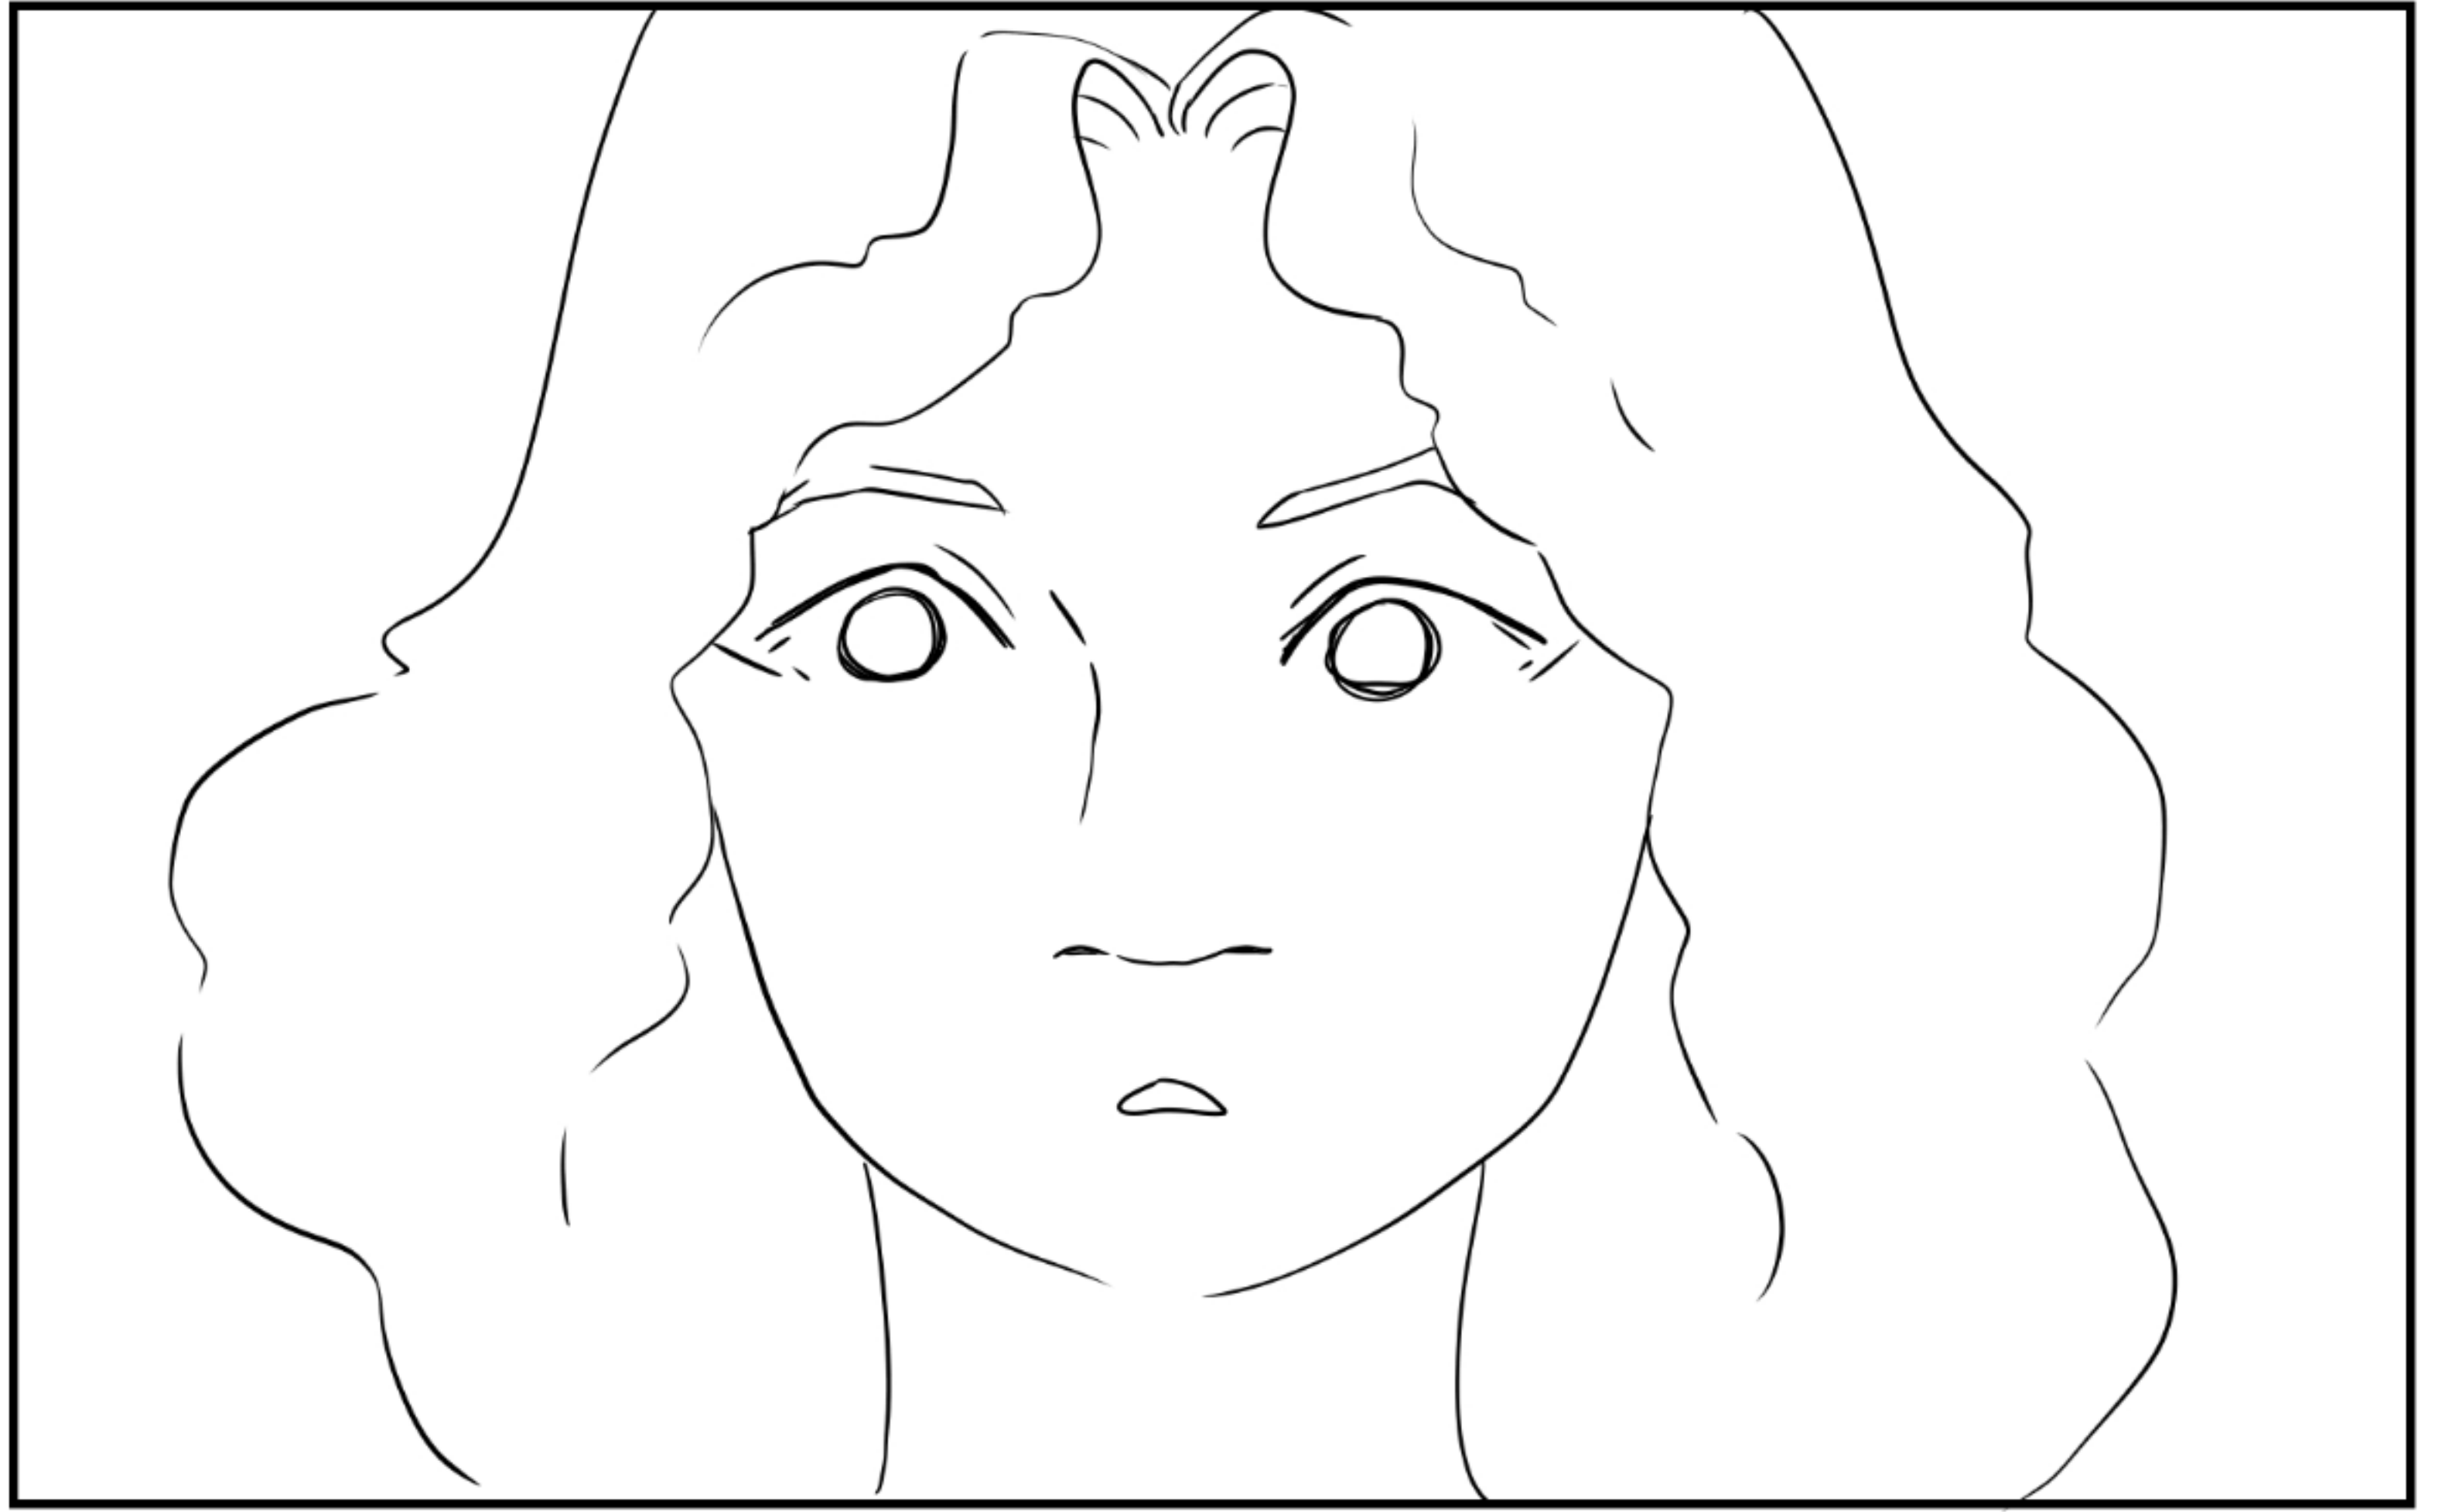

YOU KNOW THAT DON'T YOU?

you raped me

you hurt me

you know that don't you?

He didn't hear me.
